EXECUTIVE FORWARD PLAN

What is the Executive Forward Plan?

The Executive Forward Plan is a list of all non-key and key decisions the Authority intends to take during the next four month period. The Plan is updated weekly, every Monday and is available to view on-line at www.york.gov.uk

What is a non-key decision?

For the purposes of the Plan, a non-key decision is defined as a 'decision of normal importance' which:

- the Executive can collectively take as set out in Part 3 of the council's constitution
- which any Executive Member can take individually in line with the Council's Scheme of Delegation

What is a key decision?

A key decision is defined as a decision which is likely:

- to result in the Council incurring expenditure, or making savings, which are significant having regard to the Council's budget for the service or function to which the decision relates i.e.:
 - make a saving of more than 10% of the budget for a particular area - or be more than £500,000
 - require spending that is more than 10% of the budget for a particular area - or be more than £500,00
- to be significant in terms of its effects on communities

Such 'key decisions' can only be taken by the Executive, unless they have been **specifically** delegated to an Executive Member or Officer, or unless the Leader or Chief Executive is exercising their urgency powers.

What information does the Forward Plan contain?

In relation to each issue entered on the Forward Plan, there are details of:

- the date on which or time period within which the decision will be taken;
- the wards affected;
- how to make representations on the issue in hand; and
- what the consultation will be taking place, where applicable.

If I have a query about an entry on the Forward Plan, who do I contact ?

Wherever possible, full contact details are listed in the individual entries in the Forward Plan. If you are unsure how to make contact or have any general enquiries about the Forward Plan, please ring Democratic Services on Tel No. 01904 551088

Title of Report: Updating adopted highway and list of streets data

The LGO identified that some of the Council's highway records (List of Streets and highway extent map) are not up to date. The LGO has therefore requested the following actions from the Council to update the records:

1. Complete a review of the Council's road adoption system within three months of the Ombudsman's decision (by 19th August 2021). The review should consider how it is kept up to date and accurate; and
2. Within one month of completing the review (by 19th September), report the findings to Councillors and seek approval for changes and recommendations.

The report seeks approval for officers to undertake a full update of the highway extent map, List of Streets, and Definitive Map in 2021/22, addressing all areas to be reviewed and update as appropriate.

The Executive will be asked to approve the proposed process and funding allocation to address the issues identified by the LGO with regard to the Council's highway records (List of Streets and highway extent map).
