Safer Neighbourhood Team Priority Settings

1.0 Summary

1.1 This report summarises the North Yorkshire Police, local Safer Neighbourhood Team Priorities that have been set for the current and previous quarters.

2.0 Background

As part of the police reform and social responsibility bill / localism bill and the national agenda for Safer Neighbourhoods, every quarter the Safer Neighbourhood Teams identify key policing priorities for an inspector led area, this is done in consultation with the local community.

3.0 Introduction

In North Yorkshire Police it is a requirement that every quarter, in consultation with the local community, the Safer Neighbourhood Teams identify key policing priorities for each SNT area. This means targeting crime and community safety issues that matter most to the public and focus resources to ensure positive community outcomes. Safer neighbourhood priority settings identify concerns raised by the residents in the area, enabling local consultation to influence policing when tackling local issues. Issues that are not resolved within the quartile time span are often rolled forward to the next quartile until successfully actioned.
