Dear Mr. Fraser

Re: York Allygates – Bishopthorpe Road / Nunmill Street

Please find enclosed a petition signed by the majority of residents of the above mentioned streets supporting the installation of allygates between the two. This follows some recent criminal activity in the area, of which we spoke briefly about at the last Ward meeting.

Residents are concerned that the ally between the two banks of houses provides cover for the exchange of stolen goods, encourages unsociable behaviour such as graffiti and the abuse of illegal substances, and leaves the houses exposed to break in.

As our Cabinet Member for Crime and Community Safety I ask that you take this forward on the residents' behalf and attempt to secure funding to progress the installation.

Please let me know if you need any further information or if I can be of any support. I am happy to discuss progress at anytime; contact details are above.

Thanks and regards

Catherine Worden
