

**Notice of meeting of
Community Safety Overview & Scrutiny Committee**

To: Councillors King (Chair), Healey (Vice-Chair), Barnes,
Burton, Fitzpatrick, Galvin and Orrell

Date: Monday, 4 July 2011

Time: 5.00 pm

Venue: The Guildhall, York

AGENDA

1. Declarations of Interest

At this point Members are asked to declare any personal or prejudicial interests they may have in the business on the agenda.

2. Public Participation

At this point in the meeting, members of the public who have registered their wish to speak regarding an item on the agenda or an issue within the committee's remit can do so. The deadline for registering is **Friday 1 July 2011 at 5.00pm.**

3. North Yorkshire Police Safer Neighbourhood Team and Crime Data Report (Pages 3 - 10)

This report summarises the North Yorkshire Police, local Safer Neighbourhood Team priorities that have been set for the current and previous quarters and provides crime data for the York Safer Neighbourhood Team areas.

4. Safer York Partnership Board Performance Report

It is proposed that this item be withdrawn from the agenda, as the information that was due to be presented was covered in the presentation to the Committee at their meeting on 27 June 2011.

5. Report on Restructure of North Yorkshire Police (Pages 11 - 14)

This report provides information on the North Yorkshire Police force restructure.

6. Update Report on Proposed CCTV Review (Pages 15 - 22)

This report presents a brief history of a proposed topic on CCTV in York, and asks Members to consider whether they now wish to proceed with a review of the provision and usage of CCTV across the city.

7. Workplan (Pages 23 - 24)

Members are asked to consider the Committee's Workplan.

8. Urgent Business

Any other business which the Chair considers urgent under the Local Government Act 1972.

Democracy Officer:

Name: Jayne Carr

Contact Details:

Telephone – (01904) 552030

Email – jayne.carr@york.gov.uk

For more information about any of the following please contact the Democracy Officer responsible for servicing this meeting Jayne Carr, Democracy Officer

- Registering to speak
- Business of the meeting
- Any special arrangements
- Copies of reports

About City of York Council Meetings

Would you like to speak at this meeting?

If you would, you will need to:

- register by contacting the Democracy Officer (whose name and contact details can be found on the agenda for the meeting) **no later than 5.00 pm** on the last working day before the meeting;
- ensure that what you want to say speak relates to an item of business on the agenda or an issue which the committee has power to consider (speak to the Democracy Officer for advice on this);
- find out about the rules for public speaking from the Democracy Officer.

A leaflet on public participation is available on the Council's website or from Democratic Services by telephoning York (01904) 551088

Further information about what's being discussed at this meeting

All the reports which Members will be considering are available for viewing online on the Council's website. Alternatively, copies of individual reports or the full agenda are available from Democratic Services. Contact the Democracy Officer whose name and contact details are given on the agenda for the meeting. **Please note a small charge may be made for full copies of the agenda requested to cover administration costs.**

Access Arrangements

We will make every effort to make the meeting accessible to you. The meeting will usually be held in a wheelchair accessible venue with an induction hearing loop. We can provide the agenda or reports in large print, electronically (computer disk or by email), in Braille or on audio tape. Some formats will take longer than others so please give as much notice as possible (at least 48 hours for Braille or audio tape).

If you have any further access requirements such as parking close-by or a sign language interpreter then please let us know. Contact the Democracy Officer whose name and contact details are given on the order of business for the meeting.

Every effort will also be made to make information available in another language, either by providing translated information or an

interpreter providing sufficient advance notice is given. Telephone York (01904) 551550 for this service.

যদি যথেষ্ট আগে থেকে জানানো হয় তাহলে অন্য কোন অর্ধাতে তথ্য জানানোর জন্য সব ধরণের চেষ্টা করা হবে, এর জন্য দরকার হলে তথ্য অনুবাদ করে দেয়া হবে অথবা একজন দোভাষী সরবরাহ করা হবে। টেলিফোন নম্বর (01904) 551 550।

Yeteri kadar önceden haber verilmesi koşuluyla, bilgilerin terümesini hazırlatmak ya da bir tercüman bulmak için mümkün olan herşey yapılacaktır. Tel: (01904) 551 550

我們竭力使提供的資訊備有不同語言版本，在有充足時間提前通知的情況下會安排筆譯或口譯服務。電話 (01904) 551 550。

اگر مناسب وقت سے اطلاع دی جاتی ہے تو ہم معلومات کا ترجمہ میا کرنے کی پوری کوشش کریں گے۔ ٹیلی فون (01904) 551 550

Informacja może być dostępna w tłumaczeniu, jeśli dostaniemy zapotrzebowanie z wystarczającym wyprzedzeniem. Tel: (01904) 551 550

Holding the Cabinet to Account

The majority of councillors are not appointed to the Cabinet (39 out of 47). Any 3 non-Cabinet councillors can 'call-in' an item of business from a published Cabinet (or Cabinet Member Decision Session) agenda. The Cabinet will still discuss the 'called in' business on the published date and will set out its views for consideration by a specially convened Scrutiny Management Committee (SMC). That SMC meeting will then make its recommendations to the next scheduled Cabinet meeting in the following week, where a final decision on the 'called-in' business will be made.

Scrutiny Committees

The purpose of all scrutiny and ad-hoc scrutiny committees appointed by the Council is to:

- Monitor the performance and effectiveness of services;
- Review existing policies and assist in the development of new ones, as necessary; and
- Monitor best value continuous service improvement plans

Who Gets Agenda and Reports for our Meetings?

- Councillors get copies of all agenda and reports for the committees to which they are appointed by the Council;
- Relevant Council Officers get copies of relevant agenda and reports for the committees which they report to;
- Public libraries get copies of **all** public agenda/reports.

Community Safety Overview and Scrutiny Committee

Meeting on 5 July 2011

Summary

This report summarises the North Yorkshire Police, local Safer Neighbourhood Team Priorities that have been set for the current and previous quarters and provides crime data for the York Safer Neighbourhood Team area. Members are asked to note and comment on the new priorities and the crime data.

Safer Neighbourhood Team Priority Settings

Background

As part of the police reform and social responsibility bill / localism bill and the national agenda for Safer Neighbourhoods, every quarter the Safer Neighbourhood Teams identify key policing priorities for an inspector led area, this is done in consultation with the local community.

In North Yorkshire Police it is a requirement that every quarter, in consultation with the local community, the Safer Neighbourhood Teams identify key policing priorities for each SNT area. This means targeting crime and community safety issues that matter most to the public and focus resources to ensure positive community outcomes. Safer neighbourhood priority settings identify concerns raised by the residents in the area, enabling local consultation to influence policing when tackling local issues. Issues that are not resolved within the quartile time span are often rolled forward to the next quartile until successfully actioned.

Safer Neighbourhood Priorities

Safer Neighbourhood Area	Quarter 1 Priorities April 2011	Age of Priority Indicates how long the issue has been a community concern without a satisfactory resolution
York City	Theft (From shop, cycles and Purse/Phone)	New Priority
	Violent Crime	New Priority
	Anti-social behaviour	New Priority
York East	Clifton - burglary in the Burton Stone Lane area, anti-social behaviour at Crichton Bridge shops.	New Priority
	Hull Road - anti-social behaviour at Melrosegate, cycle theft	New Priority

York East (cont)	The Groves - street drinking Union Terrace, anti-social behaviour Monkgate Drop In Centre	New Priority
	Fishergate / University - anti-social behaviour at Millennium Bridge, cycle theft at University	New Priority
	Heworth - cycle theft and burglary other	New Priority
York West	• Burglary	New Priority
	• Theft from motor vehicle	New Priority
	• Criminal damage	New Priority
	• Anti social behaviour	New Priority
York Rural	ASB Rawcliffe Park & Ride, Clifton Moor Tower Ct. York Rural North.	New Priority
	Burglary Farm / Outbuildings Haxby / Strensall. York Rural North	New Priority
	Criminal Damage Haxby and Strensall play parks. York Rural North	New Priority
	Theft Shop/ Cycle Monks Cross. York Rural East.	New Priority
	Metal Thefts Murton Clanceys York Rural East	New Priority
	ASB / Disruption Osbaldwick Travellers Horses York Rural East	New Priority
	ASB Copmanthorpe and Poppleton (The Green) York Rural West	New Priority
	Burglary Bishopthorpe York Rural West	New Priority
Burglary Seasonal (sneak-in)Poppleton, Copmanthorpe Bishopthorpe York Rural West	New Priority	

Crime Data

Background

On the 31st Jan 2011 the Home Secretary launched “police.uk” a website which enables individuals to see what crime and antisocial behaviour has happened on their streets. In his announcement he stated:

“Interactive maps which can be accessed on computers and mobile phones will open the door on crime and policing information, allowing people to view crimes including burglary, violence and anti-social behaviour in their areas. This transparent new level of crime and local policing information will ensure people can tell forces what their concerns about crime and disorder are”

www.police.uk interactive map allows access to six categories of crime these are: burglary, robbery, vehicle crime, violence, other crime and anti-social behaviour (a total of all of these combined is also included). The crime data allows members to assess crime levels within their area. The table shown at Annex A is the first tranche of data for York from the newly launched website. Subsequent reports will illustrate trends in all the six categories.

Recommendations

Members are invited to note the report and comment on:

- the priorities that have been set for this district
- the crime data shown at Annex A

Community Safety Overview and Scrutiny Committee

Restructure of North Yorkshire Police

1. Background

- 1.1 On Monday (13 December 2010) the Home Office announced grant funding settlements for police forces in England and Wales incorporating a 5.1% reduction. For North Yorkshire Police, this equates to a reduction of approximately £24m by 2014/15. This settlement ensures comprehensive plans to balance the budget will have to be put into action. North Yorkshire Police force will undergo a significant restructure to maximise efficiency whilst protecting front-line service delivery.

2. Introduction

- 2.1 It is recognised that public sector spending cuts will have significant implications for the police service. As a service, policing has had a “can do” ethos and will rise to the challenge, but it is recognised this will not be easy. Nationally it is understood that there are difficult choices ahead for police leaders at all levels of the service; for police partners; and for government.
- 2.2 The scale of cuts that are before North Yorkshire Police force are, however, so significant that “protecting the frontline” cannot mean maintaining the front line at current levels”. In this context protection is more about mitigating the impacts and ensuring all other avenues for efficiencies are exploited, before reaching the point where frontline resources are reduced. This includes changing the way we use and deploy officers to maximise their impact in the community.
- 2.3 The reviews that have been undertaken in North Yorkshire Police have helped the organisation further understand the demands it faces on a day to day basis across the force wide area (North Yorkshire & City of York). The information collated via these reviews has led the organisation to:
- Restructure NYP Inspector led Safer Neighbourhood Areas (SNA's), this ensures that relevant resources are available where they are needed, increasing from 18 to areas 20 across the force. The particular nature of rural areas has been acknowledged in demand profiling, with at least one constable working in an area.
 - Introducing a revised shift pattern that ensures resources are available when they are needed whilst maximising police visibility across North Yorkshire and York's communities, enabling officers to tackle issues when they occur.

3 City of York

- 3.1 The City of York command area will be led by Superintendent Lisa Winward and will consist of four Safer Neighbourhood areas (SNAs) which in turn will be

managed by a dedicated Inspector. As part of the review process the command area has been reconfigured to incorporate further the differing needs and priorities of the City of York's communities. The areas and their Inspectors are :

York City	Inspector Mark Henderson
York East	Inspector Alisdair Dey
York West	Inspector Phil Cain
York Rural	Inspector Jo Brooksbank

3.2 The ethos behind the restructure is to retain local and flexible policing made possible by new ways of working. Officers will be dedicated to what is happening in their area, but if required by the Force control room; they will assist with certain incidents in adjacent SNAs. During 2010/11 the organisation has operated as one Basic Command Unit and the restructure emphasises that model from the 21st March:

- There will no longer be a distinction between Safer Neighbourhood Teams and Response Teams, and Inspectors will be responsible for all of the officers and staff in their Safer Neighbourhood Area.
- In response to incidents the most appropriate officers will attend regardless of any geographical boundaries.

3.3 As part of the review NYP are introducing Beat Managers within each of the areas. Each Beat Manager will be assisted by geographic patrol officers and PCSOs, and will be responsible for delivering a responsive and problem solving service for the Safer Neighbourhood Area as the public face of the local policing team. The Beat Managers will be responsible for liaising with partners and supporting the Safer Neighbourhood Area Inspector with partnership and public meetings.

3.4 Each Safer Neighbourhood Inspector works in unison with a NYPA link member. The role of the link member is to work closely with the local inspector ensuring a timely and relevant locality link feeds into overall strategy. Part of the role is to monitor local performance especially against service standard expectations linking the locality into the strategic and adhering to the statutory responsibility of NYPA which is to ensure an efficient and effective police service is in place.

3.5 The following is a list of the Beat Managers within the City of York area and I would encourage members to make contact with them from 21 March 2011 as the link into local policing. The Local Beat Managers and respective NYPA link members for the City of York are:

Safer Neighbourhood Area	Inspector	Beat Team Area	Ward Area	Beat Managers
York City	Inspector Mark Henderson NYPA Link Member – Ruth Potter	York City	Guildhall (inner)	PC Richard Gatecliffe
			Micklegate (inner)	PC Kelly McTighe

Safer Neighbourhood Area	Inspector	Beat Team Area	Ward Area	Beat Managers
York East	Inspector Alisdair Dey NYPA Link Member - Keith Orrell	York East	Clifton	PC Ian Richardson
			Heslington & University	PC Andrew Thompson
			Fishergate	
			The Groves (Guildhall outer)	PC Ray Milligan
			Heworth	PC Michael Brocken
			Hull Road	PC Paul Fenwick

Safer Neighbourhood Area	Inspector	Beat Team Area	Ward Area	Beat Managers
York West	Inspector Phil Cain NYPA Link Member – Craig Shaw	York West	Acomb	PC Sarah Lacy
			Dringhouses & Woodthorpe	PC Colin Park / PC Mark Antonelli
			Holgate	PC Jon Bostwick
			Micklegate (outer)	PC Jackie Allen
			Westfield	PC Colin Park / PC Mark Antonelli

Safer Neighbourhood Area	Inspector	Beat Team Area	Ward Area	Beat Managers
York Rural	Inspector Jo Brooksbank NYPA Link Member – Craig Shaw	York Rural	Bishopthorpe & Fulford	PC Stuart Hodge
			Derwent, Heworth Without, & Osbaldwick	PC Alex Dobson
			Haxby & Wigginton	PC Sarah-Jayne Elliott
			Heslington South & Wheldrake	PC Jo Brooke
			Huntington & New Earswick	PC Ian Wilkinson / PC Helen Pointon
			Rural West York	PC Anna Daniels
			Skelton, Rawcliffe & Clifton Without	PC Mike Pickersgill
			Strensall	PC Ruth Atkins

4 Communications

- 4.1 Despite this being an operational matter as an organisation NYP are committed to reorganising in an open and transparent manner, and it is worth noting the changes will be implemented on the 21st March 2011.
- 4.2 NYP have committed to providing committee reports to all nine councils in addition NYP are producing briefing sheets for Area Commanders and Inspectors to use in discussions with local partners. The Force will publicly release the changes from the 7th March, the Forces website will be updated and newsletters will be available for the public from the 21st March.
- 4.3 Crime has continued to fall in North Yorkshire and the City of York and North Yorkshire Police Force continue to be absolutely focused on maintaining one of the lowest levels of crime and anti-social behaviour in the country. The Force will continue to deliver the best possible policing service with targeted reductions in crime and ASB.

5 Recommendations

- 5.1 Members are invited to comment and note the report.

Community Safety Overview & Scrutiny Committee

4 July 2011

Update On Possible Review of CCTV

Summary

1. This report presents a brief history of a proposed topic on CCTV in York, and asks Members to consider whether they now wish to proceed with a review of the provision and usage of CCTV across the city.

Background to Topic

2. In Jan 2010 this committee received a topic registration form on CCTV submitted by Cllr Bowgett. Members were informed that an update Executive report on CCTV in York was expected from officers in July 2010, which would answer many of the questions raised in the topic registration form. On that basis, the committee chose to defer their decision on whether to proceed with a review.
3. In September 2010, the officer report was received by this committee together with some written views on the report from Cllr Vassie, who was unable to attend the meeting. At that time, Members were informed that North Yorkshire Police Authority had been tasked by the York and North Yorkshire Safer Communities Forum to bring together a 'Task & Finish Group' to undertake a review of the costs and effectiveness of CCTV provision across the North Yorkshire police force area. It was expected that this would include looking at:
 - The advantage of new technologies and networks
 - Agreed evaluation methods and results
 - Learning from other areas and national guidelines
 - Approaches to needs assessment
 - Opportunities to do things better, cheaper, more effectively & efficiently
 - Opportunities for joint working
4. Again, the committee chose not to proceed with the review at that time. Instead, it was agreed to await the outcome of the Police Authority

review before deciding whether or not the scrutiny review was necessary. The Police Authority review was commenced with all councils in North Yorkshire feeding in information on their individual CCTV provision etc.

5. In January 2011 Cllr Alexander registered a further CCTV scrutiny topic, which was considered at a meeting of this committee on 18 January 2011. It was noted that although the issues raised in both CCTV topic registrations had some similarities, they were not identical. It was agreed therefore that the Chair and Vice Chair would meet with Cllr Vassie and Cllr Alexander, to amalgamate the two topic registration forms into one (taking account of Cllr Vassie's written views), and identify a suitable remit for a review for the consideration of this committee.
6. The committee were then informed that a decision had been taken to halt the Police Authority review, following a proposal that Local Government North Yorkshire & York Board (LGNYY) carry out a review of a number of services (including CCTV) where there was scope to introduce a shared service in an effort to secure significant (and quantifiable) efficiency savings.
7. At a meeting of this committee in March 2011, the committee considered how best to amalgamate the individual topic registration forms previously received in order that an agreed review take into consideration all of the concerns raised. They also received a briefing note on the Local Government North Yorkshire & York Board shared service project – see Annex A.
8. The Committee agreed that if a review were to be undertaken, the remit for the review would need to take into consideration the outcome of the work of the Consultants tasked with producing a business case for the inclusion of CCTV as part of the LGNYY project. It was agreed that a number of the Committee should meet with the Consultants to highlight the concerns of Members about the use of CCTV in York etc so that those concerns could be considered as part of the Consultants work. That meeting was held in April 2011 and the notes taken are shown at Annex B.
9. The Consultants report is still being developed and will not be public until it goes to a meeting of LGNYY in September. An early draft was discussed at a meeting of the relevant Chief Executives a few months ago (York was not present) and they agreed to widen the remit of the

customer access part of the report. In relation to CCT, the draft feedback was that the business should:

- Be based on tapping into what already exists with one council buying from another.
 - Clarify if there are any savings in this particularly when compared to any investment costs.
10. A more detailed report on the findings will be made available to this committee, following the LGNY Y meeting in September 2011.

Consultation

11. Officers from Network Management have been consulted throughout the consideration of the CCTV topic and have attended previous meetings of this Committee to discuss the feasibility of the topic with Members and to provide presentation on the current use of CCTV across the city.

Options

12. Having considered the information within this report and its associated Annexes Members may choose to:
- proceed with a review of the use of CCTV in York and identify a suitable remit and objectives for the review
 - request further information in order to inform a decision on whether or not to proceed with a review
 - agree not to proceed with a review at this time
 - agree that a review of CCTV in York is not required

Corporate Strategy

13. A review of CCTV in York would support the Council's corporate strategy to make York a safer city with low crime rates.

Implications

14. There are no known Financial, HR, Legal, Equalities, Crime & Disorder, ITT or other implications associated with the recommendation in this report.

Risk Management

15. There are no known risks associated with the recommendation in this report.

Recommendations

16. Members are asked to agree
- whether or not they wish to proceed with a scrutiny review on CCTV in York

If a decision is taken to proceed with the review, Members are asked to agree a remit and a number of objectives for the review.

Reason: To progress the work of this Overview & Scrutiny Committee, in line with scrutiny procedures and protocols.

Annexes

Annex A – Briefing Note on Local Government North Yorkshire & York Board Shared Service Project

Annex B – Notes taken at Meeting with Consultants in April 2011

Briefing Note On Local Government North Yorkshire
& York Board Shared Service Project

1 March 2011

1. Public authorities in the area predominately provide a whole range of in-house services and support services in line with local choices and priorities. It is recognised that the future financial prognosis means that there is ever greater value in reviewing services and particularly those where there is a scope to share and enjoy economies of scale and/or rationalisation.
2. Public sector organisations in the sub-region have therefore expressed an appetite for sharing some services and this has been ratified by political and managerial leaders through the Local Government North Yorkshire & York Board (LGNYY).
3. As a result, a project has been initiated to undertake the initial stages of the shared services programme. The intention behind the project is to secure significant (and quantifiable) efficiency savings and a sustainable model to share which provides local options (where possible and desirable) and allows for equity of partners whilst having the appropriate amount of governance.
4. The project is being led by a small project team consisting of senior officers representing the council in York and North Yorkshire, and led by the Deputy Chief Executive of Hambleton & Richmondshire District Council. City of York Council's representative on the project team is the interim Head of Strategy, Policy and Performance.
5. Initially, a paper was produced and approved by the Leaders and Chief Executives of the seven District Councils and the County Council, and discussions were held with this Council, the Police, PCT, North Yorkshire Fire & Rescue and National Parks. To support the process, it has been recognised that particularly in the early stages, external consultancy support to map out the opportunities available to them, will be needed i.e.:
 - To provide an independent challenge to the partners and the project team
 - To facilitate discussions and explorations of shared services opportunities, barriers, concerns and risks with individual partners
 - To develop a challenging but achievable strategic delivery plan for the shared service programme
5. The Consultants have now been appointed. They will develop four business cases covering Economic Development, CCTV, Revenues & Benefits and Access to Public Services in Harrogate. They will set out a range of options (worst, central and best case) for the savings that can be delivered depending on

the approach adopted. One of these options must provide for 25% savings. The business cases will also explore, where appropriate, alternative delivery methods and provide an implementation plan that partners can instigate quickly.

6. Their key milestones for the project are:
 - February 2011 - Prepare initial discussion document 'road map' of potential opportunities and outline scope of business cases
 - Feb/March 2011 - Consult on 'road map' and development of business cases
 - Early April 2011 - Produce interim report providing initial business cases and collated views on emerging 'road map'
 - Early May 2011 - Produce final Strategic Delivery Plan and business cases
 - May/June 2011 - Present findings to LGNY&Y
7. Subject to the above timeframe been achieved, it may be possible to provide a project update at the first meeting of the Community Safety Overview & Scrutiny Committee in the new municipal year, on 28 June 2011.

Community Safety O & S Committee

Possible CCTV Review - Notes from meeting with Consultant on 1 March 2011

Nationally

No legislation on use of CCTV
 Authorities have to self-regulate
 York has no declaration of right to use

York's Current Set Up

Fibre optic analogue network – due for upgrade (new network)
 70+ Cameras inc. 3 portable cameras for placing where there is a priority
 Approx 60 referrals a week from the Police
 Need breakdown of camera numbers i.e. those used solely for traffic management, those solely for crime and disorder prevention and those with a dual purpose

- Qu. How many of our fixed cameras are switched off?
 Qu. How many of the referrals are used as evidence for prosecution?
 Qu. 3 mobile cameras on trial since April 2010 – what are the results?
 Qu. Does York have any KPIs on effectiveness of CCTV in York?
 Qu. Is there any evidence of crime displacement?

Cost

- Qu. Can we demonstrate effectiveness of CCTV in York?
 Qu. Are we getting value for money?
 Qu. Does having 70+ cameras have a measurable affect on crime?
 Qu. What is the annual cost to the council for providing CCTV footage to the Police?
 Qu. Nationally, many Authorities charge the Police for provision of CCTV footage – why don't we? – **and what impact might charging the Police have on the 60 referrals requested a week?**

Civil Liberties

- Qu. Why do we have CCTV - originally introduced as a traffic management tool, now also being used to manage crime and disorder? How and when was this change in use agreed, or did it just evolve ?
 Qu. Who would be able to access the footage if we have a North Yorks joined up service?

Potential for Shared Service

York could manage Selby's CCTV because of its close proximity

- Procurement – maintenance and replacement
- CCTV Consultation Group – officers meeting on a regular basis to discuss issues/problems, sharing ideas on use etc
- Secondment of officers – sharing best practice / better use of resources. Standards and working practices would need to be agreed.
- Engagement with MOD – they have approx 70 cameras in North Yorks which are not controlled by the local authorities even though they are in public areas – civil liberties over ridden by MOD security issue?
- Inconsistent approach across the region could be sorted out

- Regional agreement would be unlikely to include real time access to data across local authorities because of the many technical challenges.
- civil liberties should be raised in the consultative document.
- bulk purchasing of equipment or services, opportunity to reduce costs.

The consultant revealed that CYC currently has over 50% of all the cameras in the region; the only other local authority in the region to have CCTV in any numbers is Scarborough where they have a significant number of cameras in the city centre. He also revealed that several local authorities in the region are looking either to scale back the number of CCTVs they have or get rid of them altogether.

Community Safety Overview & Scrutiny Committee – Work Plan 2011-12

Provisional Meeting Dates	Work Programme
27 June 2011	<ol style="list-style-type: none"> 1. Introduction to Committee Remit & Terms of Reference 2. Report introducing the Committee’s legislative responsibilities in regard to Crime & Disorder 3. Presentation on Safer York Partnership 4.
