EXECUTIVE FORWARD PLAN

What is the Executive Forward Plan?

The Executive Forward Plan is a list of all non-key and key decisions the Authority intends to take during the next four month period. The Plan is updated weekly, every Monday and is available to view on-line at www.york.gov.uk

What is a non-key decision?

For the purposes of the Plan, a non-key decision is defined as a 'decision of normal importance' which:

- the Executive can collectively take as set out in Part 3 of the council's constitution
- which any Executive Member can take individually in line with the Council's Scheme of Delegation

What is a key decision?

A key decision is defined as a decision which is likely:

- to result in the Council incurring expenditure, or making savings, which are significant having regard to the Council's budget for the service or function to which the decision relates i.e.:
 - make a saving of more than 10% of the budget for a particular area - or be more than £500,000
 - require spending that is more than 10% of the budget for a particular area - or be more than £500,00
- to be significant in terms of its effects on communities

Such 'key decisions' can only be taken by the Executive, unless they have been **specifically** delegated to an Executive Member or Officer, or unless the Leader or Chief Executive is exercising their urgency powers.

What information does the Forward Plan contain?

In relation to each issue entered on the Forward Plan, there are details of:

- the date on which or time period within which the decision will be taken;
- the wards affected;
- how to make representations on the issue in hand; and
- what the consultation will be taking place, where applicable.

If I have a query about an entry on the Forward Plan, who do I contact ?

Wherever possible, full contact details are listed in the individual entries in the Forward Plan. If you are unsure how to make contact or have any general enquiries about the Forward Plan, please ring Democratic Services on Tel No. 01904 551031

FORWARD PLAN ITEM

Meeting: Executive

Meeting Date: 18/10/18

Item Type: Executive Decision - a 'Key Issue' - decision leading to savings or expenditure of £500,000 or above

Title of Report: Duncombe Barracks

Description: Purpose of Report: To seek Executive approval to purchase the site from the Ministry of Defence (MoD).

Providing negotiations with the Ministry of Defence over the sale of Duncombe Barracks are successful, the Executive are asked to agree the sale with a view to developing the site for much needed affordable housing.

Discussions with the Reserve Forces and Cadets Association are continuing but have not reached a stage where a firm proposal to purchase the site could be brought to the Executive. It is therefore felt that the paper should be deferred until the April meeting of the Executive.

This item has been deferred until the 8 May Executive as negotiations with the owners of the site have not been concluded and need to reach an agreement in principle on an acquisition price in order to inform a report to the Executive.

This item has been deferred until the 21 June Executive as negotiations regarding the possible purchase of the site are ongoing. It would be premature to bring a report to Members in advance of a detailed proposal for the purchase being made.

This item has been deferred until the 12 July Executive to allow more time to explore opportunities with MOD regarding the best use of the site from a York perspective.

This item has been deferred until the 30 August Executive as negotiations are still ongoing.

This item has been deferred until the 18 October Executive as there have been delays in negotiating a price.

Implications

Level of Risk:

Reason Key: A decision which is likely to result in the Council incurring expenditure, or making savings which are significant having regard to the Council's budget for the service or function to which the decision relates. The savings or expenditure are significant if they are equal to or greater than £500,000 or equal to or greater than £100,000 where the savings or expenditure exceeds 10% of the budget for the service plan area whichever is the less. Expenditure in excess of these levels will not constitute a key decision if such expenditure is made as part of the implementation of a decision which itself was a key decision e.g. the award of a contract.

Making Representations: Contact the report author for more details.

Process: Negotiations between Council officials and the MoD.

Title of Report: Placement review - Foster carer review

Description: This report provides an update and recommendations relating to the Placement Review which is focused on placement sufficiency for children in care. Placement sufficiency is at a critical stage in York. Despite the number of children in care remaining relatively stable over the previous 3 years, the diversity and complexity of placement requirement is changing. Increasingly Children's Social Care are in a position where they are unable to place children and young people in existing Council provision and are having to purchase, often at short notice, external / private foster or residential placements that are expensive and may not be value for money in the context of the individual child.

The review is focused on 1. foster care – support, training, recruitment and remuneration, 2. residential provision and alternative innovative sufficiency options.

This report outlines the intended approach to meet our sufficiency by retaining and recruiting more foster carers and procuring other provisions.

Foster Care - Changes are proposed to the foster carer additional allowances, see Annex B in the report for a summary of these changes. This will ensure greater consistency, transparency and equity across the fostering workforce. It will also incentivise foster carers to offer multiple placements and emergency placement which should increase sufficiency. The review has taken into consideration the work with disabled children around COE and the need to increase community capacity with additional needs. Short break foster carers will be aligned with their mainstream colleagues in relation to finance, support and training.

Residential/Alternative provision - The review will look at different types of provisions, including through the White Rose framework, rather than just replicating our current residential provision. The procurement process will procure a varied offer, to complement our foster care offer, which may include solutions to emergency and short term placements; placements for adolescents, placements for children with complex and additional needs, support to our foster carers during the evening and weekend, out hours outreach support to foster carers and children on the edge of care.

Title of Report: 2016/17 Speed Management Programme – Relocation of Speed Limits - Experimental Traffic Regulation Orders

Description: Purpose of Report:
(i) To review the speed data and any objections to the experimental traffic regulation orders to determine the impact of moving 30 speed limits closer to the villages at Copmanthorpe (Tadcaster Road), Dunnington (Common Lane) and Hopgrove (Hopgrove Lane South).
(ii) To re-consider whether to change the speed limit start point at Murton Way, Murton.

The Executive Member is asked:

- (i) To make the experimental orders permanent or revert to the previous arrangements at each location.
- (ii) To consider changing the speed limit start point at Murton Way subject to usual TRO process.

This item has been deferred to the Decision Session on 15 November as the data to determine the outcome of the speed limit trials has not all been received and is currently being chased up. Follow up speeds surveys are due to be repeated at Hopgrove Lane South and at Tadcaster Road, Copmanthorpe in the coming weeks. The results will be forwarded as soon as possible to allow for detailed analysis, unfortunately this work will not be concluded in time to meet the October report deadlines.

This item has been deferred to the Decision Session on the 20 December.
