# EXECUTIVE FORWARD PLAN

## What is the Executive Forward Plan?

The Executive Forward Plan is a list of all non-key and key decisions the Authority intends to take during the next four month period. The Plan is updated weekly, every Monday and is available to view on-line at [www.york.gov.uk](http://www.york.gov.uk)

## What is a non-key decision?

For the purposes of the Plan, a non-key decision is defined as a 'decision of normal importance' which:

- the Executive can collectively take as set out in Part 3 of the council's constitution
- which any Executive Member can take individually in line with the Council's Scheme of Delegation

## What is a key decision?

A key decision is defined as a decision which is likely:

- to result in the Council incurring expenditure, or making savings, which are significant having regard to the Council's budget for the service or function to which the decision relates i.e.:
  - make a saving of more than 10% of the budget for a particular area - or be more than £500,000
  - require spending that is more than 10% of the budget for a particular area - or be more than £500,00
- to be significant in terms of its effects on communities

Such 'key decisions' can only be taken by the Executive, unless they have been **specifically** delegated to an Executive Member or Officer, or unless the Leader or Chief Executive is exercising their urgency powers.

---

## **What information does the Forward Plan contain?**

In relation to each issue entered on the Forward Plan, there are details of:

- the date on which or time period within which the decision will be taken;
- the wards affected;
- how to make representations on the issue in hand; and
- what the consultation will be taking place, where applicable.

## FORWARD PLAN ITEM

**Meeting:** Executive

**Meeting Date:** 07/03/19

**Item Type:** Executive Member Decision - of 'Normal' importance

**Title of Report:** Placement review - Foster carer review

**Description:** This report provides an update and recommendations relating to the Placement Review which is focused on placement sufficiency for children in care. Placement sufficiency is at a critical stage in York. Despite the number of children in care remaining relatively stable over the previous 3 years, the diversity and complexity of placement requirement is changing. Increasingly Children's Social Care are in a position where they are unable to place children and young people in existing Council provision and are having to purchase, often at short notice, external / private foster or residential placements that are expensive and may not be value for money in the context of the individual child.

The review is focused on 1. foster care – support, training, recruitment and remuneration, 2. residential provision and alternative innovative sufficiency options.

This report outlines the intended approach to meet our sufficiency by retaining and recruiting more foster carers and procuring other provisions.

Foster Care - Changes are proposed to the foster carer additional allowances, see Annex B in the report for a summary of these changes. This will ensure greater consistency, transparency and equity across the fostering workforce. It will also incentivise foster carers to offer multiple placements and emergency placement which should increase sufficiency. The review has taken into consideration the work with disabled children around COE and the need to increase community capacity with additional needs. Short break foster carers will be aligned with their mainstream colleagues in relation to finance, support and training.

Residential/Alternative provision - The review will look at different types of provisions, including through the White Rose framework, rather than just replicating our current residential provision. The procurement process will procure a varied offer, to complement our foster care offer, which may include solutions to emergency and short term placements; placements for adolescents, placements for children with complex and additional needs, support to our foster carers during the evening and weekend, out hours outreach support to foster carers and children on the edge of care.

This item has been deferred to the meeting of the Executive on
