EXECUTIVE FORWARD PLAN

What is the Executive Forward Plan?

The Executive Forward Plan is a list of all non-key and key decisions the Authority intends to take during the next four month period. The Plan is updated weekly, every Monday and is available to view on-line at www.york.gov.uk

What is a non-key decision?

For the purposes of the Plan, a non-key decision is defined as a 'decision of normal importance' which:

- the Executive can collectively take as set out in Part 3 of the council's constitution
- which any Executive Member can take individually in line with the Council's Scheme of Delegation

What is a key decision?

A key decision is defined as a decision which is likely:

- to result in the Council incurring expenditure, or making savings, which are significant having regard to the Council's budget for the service or function to which the decision relates i.e.:
 - make a saving of more than 10% of the budget for a particular area - or be more than £500,000
 - require spending that is more than 10% of the budget for a particular area - or be more than £500,00
- to be significant in terms of its effects on communities

Such 'key decisions' can only be taken by the Executive, unless they have been **specifically** delegated to an Executive Member or Officer, or unless the Leader or Chief Executive is exercising their urgency powers.

What information does the Forward Plan contain?

In relation to each issue entered on the Forward Plan, there are details of:

- the date on which or time period within which the decision will be taken;
- the wards affected;
- how to make representations on the issue in hand; and
- what the consultation will be taking place, where applicable.

If I have a query about an entry on the Forward Plan, who do I contact?

Wherever possible, full contact details are listed in the individual entries in the Forward Plan. If you are unsure how to make contact or have any general enquiries about the Forward Plan, please ring Democratic Services on Tel No. 01904 551031

Meeting: Executive Member for Finance and Performance

Meeting Date: 09/05/22

Item Type: Executive Member Decision - of 'Normal' importance

Title of Report: Regular update on routine procurements and approval of ICT procurement over £250k

Description: Purpose of Report: To present a regular update on routine procurements as laid down in the council's contract procedure rules:

“7.7 - Where the aggregate contract value (including any extension) is between £250,000 and less than £500,000 then the decision to enter the contract requires the approval of an Executive Member or the Executive unless the procurement is treated as Routine as defined in clause 7.9.

7.8 - Where the aggregate contract value (including any extension) is £500,000 or more the decision will be regarded as a Key Decision unless the Chief Finance Officer acting in consultation with the Monitoring Officer has approved the procurement as Routine.

7.9 - A Routine procurement is any arrangement that represents a low commercial and legal risk to the Council and relates to procurement of goods, services or works with a clearly defined specification and that clearly relate to the routine day to day operation of the Council. Routine procurements will be limited to items such as utilities, insurance or stationery. Where Officers consider a procurement process may be Routine, they are required to liaise with Commercial Procurement who will advise on the relevant paperwork to be submitted to the Chief Finance Officer. Authorisation to treat a procurement as Routine must be sought before the procurement process commences. A Director may enter a Contract where the procurement has been treated as Routine. An updated register of routine procurement must be presented regularly to the Executive Member for Finance and Performance.”

The Executive Member will be asked to note the routine procurements and approve any non routine ICT procurements planned over £250k to £500k.

greater than £500,000 or equal to or greater than £100,000 where the savings or expenditure exceeds 10% of the budget for the service plan area whichever is the less. Expenditure in excess of these levels will not constitute a key decision if such expenditure is made as part of the implementation of a decision which itself was a key decision e.g. the award of a contract.
