

Gambling, Licensing & Regulatory Committee

6 February 2017

Report from the Assistant Director - Planning and Public Protection

Licensing of Sex Establishments – Licensing Policy

Summary

1. This report seeks Members' support for the approval of the Council's Licensing Policy which relates to the licensing of sex establishments. It advises of the consultation undertaken and the amendments made to the draft policy following the consultation.
2. The report seeks a recommendation to the Executive that the policy be approved.

Background

3. In 2010 the Government introduced a new category of sex establishment called a 'sexual entertainment venue'. This reclassified lap dancing clubs and other similar venues as sexual entertainment venues (SEVs), and gave local authorities the powers to regulate such venues.
4. At a meeting of the Licensing and Regulatory committee on 2 July 2010 members resolved to adopt the provision of Schedule 3 of the Local Government (Miscellaneous Provisions) Act 1982 as amended by the Policing and Crime Act 2009 (1982 Act), effective from 1 December 2010. Full Council approved this resolution on 7 October 2010.
5. Unlike other licensing regimes, there is no statutory requirement for local authorities to set policies in relation to the licensing of sex establishments. It is, however, considered best practice to do so as this allows greater transparency, accountability, certainty, consistency and the promotion of good standards in licensing.
6. In 2010 a Licensing Policy and standard conditions were approved by members, as part of the resolution to adopt the provisions of the 1982 Act.

7. In 2015 members of this committee asked Officers to review this policy and the standard conditions.
8. Following this request, Officers sought best practice advice from other licensing authorities, who had also reviewed their policies. Officers have developed an approach to this policy review based on good examples of best practice. A working group was formed to review the policy. This group was made up of members of this Committee, council Officers and the police.
9. The group undertook a public consultation between 24 June and 5 August 2015 with regard to the licensing of sexual entertainment venues, especially in relation to the appropriate number of lap dancing clubs and the most appropriate locations for them. The results of the public consultation assisted in the formulation of the proposed Licensing Policy.
10. A report was brought to this committee on the 13 September 2016, detailing the results of the public consultation, and asking for approval to formally consult on a proposed Licensing Policy. This proposed policy took into consideration the results of the public consultation. Members authorised Officers to go out for formal consultation on the proposed policy with one amendment - that the appropriate number of sexual entertainment venues should be set at two.
11. The proposed Licensing Policy can be found at Annex 1.

Consultation

12. An 8 week consultation was carried out on the Licensing Policy, from 19 September to 14 November 2016.
13. As part of the consultation process the Council consulted over 40 organisations/individuals (see Annex 1 for list of consultees) and the three licensed sex establishment premises within the authority area.
14. Two responses were received to the consultation from Make it York and North Yorkshire Police.

Options

15. Option 1 – Approve the proposed policy.

16. Option 2 – Amend the proposed policy.

Analysis

17. The Council currently licences three sex establishments, one sex shop and two SEVs. The SEVs are located in Micklegate and Toft Green.

- Sex Shop – means any premises, vehicle, vessel or stall used for a business which consists to a significant degree of selling, hiring, exchanging, lending, displaying or demonstrating sex articles or other things intended for use in the connection with, or for the purpose of stimulating or encouraging sexual activity.
- Sexual Entertainment Venue – means any premises at which relevant entertainment is provided before a live audience, directly or indirectly for the financial gain of the organiser (i.e. a person who is responsible for organisation of management of the entertainment or the premises).
- Relevant entertainment – means any live performance or any live display of nudity which is of such a nature that, ignoring financial gain, it must reasonably be assumed to be provided solely or principally for the purpose of sexually stimulating any member of the audience (whether by verbal or other means).

18. During the consultation on the proposed Licensing Policy members of this committee undertook unannounced site visits to the two licensed SEVs, in the evening, to see how they operated and to speak directly to managers and dancers about the day to day operation of lap dancing clubs.

19. Two responses were received in response to the consultation:

- a) Make It York – we are keen to discourage as much as possible the development of such establishments. York is facing an ongoing battle of anti-social behaviour and ‘sex establishments’ are not conducive to the ‘family friendly’ atmosphere that Make It York and many other organisations are trying to create and promote. We hope that any final policy is as tight as it possible can be in terms of limiting any expansion in this area.

- b) North Yorkshire Police – fully support the amendments and changes that you have looked at for the new and improved Licensing Policy for the City of York. My only observation would be that any variations / transfers of sexual entertainment venue licence should be consulted by the Sub Committee at the least, rather than a delegated officer. There may well be concerns that Committee members (via residents) have and I believe it would be more appropriate to consult with at least the Sub Committee.
20. Each application must be considered on its own merits. There is however, provision within the 1982 Act to impose a numerical control on the number of sex establishments in a particular locality. Within the proposed policy premises/places with particular sensitive uses have been identified, along with an appropriate locality in relation to SEVs, and an appropriate number of SEVs within this locality.
21. Appendix B ‘Schedule of Delegation’ within the proposed Licensing Policy has been amended to reflect the comments from North Yorkshire Police.

Council Priorities

23. The implementation of a Licensing Policy will support the Council’s plan of a prosperous city for all, where local businesses can thrive and a council that listens to residents.

Implications

24. The direct implications arising from this report are:
- (a) **Financial** – There are no financial implications for the council.
 - (b) **Human Resources (HR)** - There are no HR implications.
 - (c) **Equalities** – An equalities impact assessment will be undertaken in relation to the new Licensing Policy.
 - (d) **Legal** – There is no statutory requirement to adopt a Licensing Policy however, it is best practice to do so. Whilst an adopted policy will be a consideration in determining applications it should be noted that irrespective of the details of a sex establishment licensing policy, the Council must accept and determine properly made applications and must consider each one on its own merits so that individual circumstances, where appropriate, are taken into consideration.

- (e) **Crime and Disorder** – The Licensing Policy introduces requirements to aid the prevention of crime and disorder.
- (f) **Information Technology (IT)** - There are no IT implications.
- (g) **Property** - There are no property implications.
- (h) **Other** - There are no other implications.

Risk Management

25. There are no known risks associated with this report.

Recommendations

26. That Members **approve Option 1** of this report and recommend to the Executive that the Licensing Policy be adopted.

Reason: This will allow the Council to introduce a more robust Licensing Policy relating to the licensing of sex establishments.
