

**Internal audit & counter fraud plan 2017/18**

---

**Summary**

- 1 This report seeks the committee's approval for the planned programme of internal audit, and counter fraud work to be undertaken in 2017/18.

**Background**

- 2 The council's internal audit service has to comply with the Public Sector Internal Audit Standards, and the council's own Internal Audit Charter. The standards and charter require that the Head of Internal Audit gives an annual opinion on the adequacy and effectiveness of the council's framework of governance, risk management, and control. The basis for the opinion is the programme of work that internal audit carries out. An indicative risk based audit plan is drawn up at the start of each year, setting out what work will be done. The plan is required to be approved by this committee as part of its responsibility for overseeing the work of internal audit.

**2017/18 Plan**

- 3 Annex 1 sets out proposed internal audit and counter fraud work for 2017/18. The planned audit work is based on a risk assessment undertaken by Veritau. The plan is also informed by discussions with chief officers and members, risk management arrangements, and by plans for development and change within the council. A separate analysis of requirements for counter fraud work is also undertaken.
- 4 Total planned days for 2017/18 are 2,522 which is unchanged from 2016/17. There is no reduction this year in planned levels of internal audit or counter fraud work.

- 5 The 2017/18 plan is similar in focus to previous years. It recognises the continuing change taking place within the council. Veritau will continue to provide support, advice and challenge in relation to major projects in addition to overall plans to meet current needs (eg to achieve savings targets). In addition, the plan reflects the continued need to look at key corporate systems, and to undertake regularity work in areas such as the main financial systems.
