

Annex G Fulford & Heslington Ward

G1	Location: Eastward Avenue
Nature of problem Resident has raised an issue of parking on Eastward Avenue via Cllr.Aspden. The resident states there is parking during school drop off and collection times which is leading to access/obstruction issues for residents and delivery vehicles being able to proceed along Eastward Avenue. Resident has requested a 'No Parking Zone'(single yellow lines) during the hours on Mon-Fri 9am to 5pm.	
Background information Eastward Avenue is a residential street in close proximity to Fulford School and St. Oswalds School. The avenue has 35 residential properties. 	
Recommendation No action. The introduction of waiting restrictions would affect all residents of Eastward Avenue. School time parking would be moved to neighbouring streets and the police can take action against any vehicles causing an obstruction.	
Cost: N/A	

G2

Location: Heslington Lane(opposite Barmby Avenue)

Nature of problem

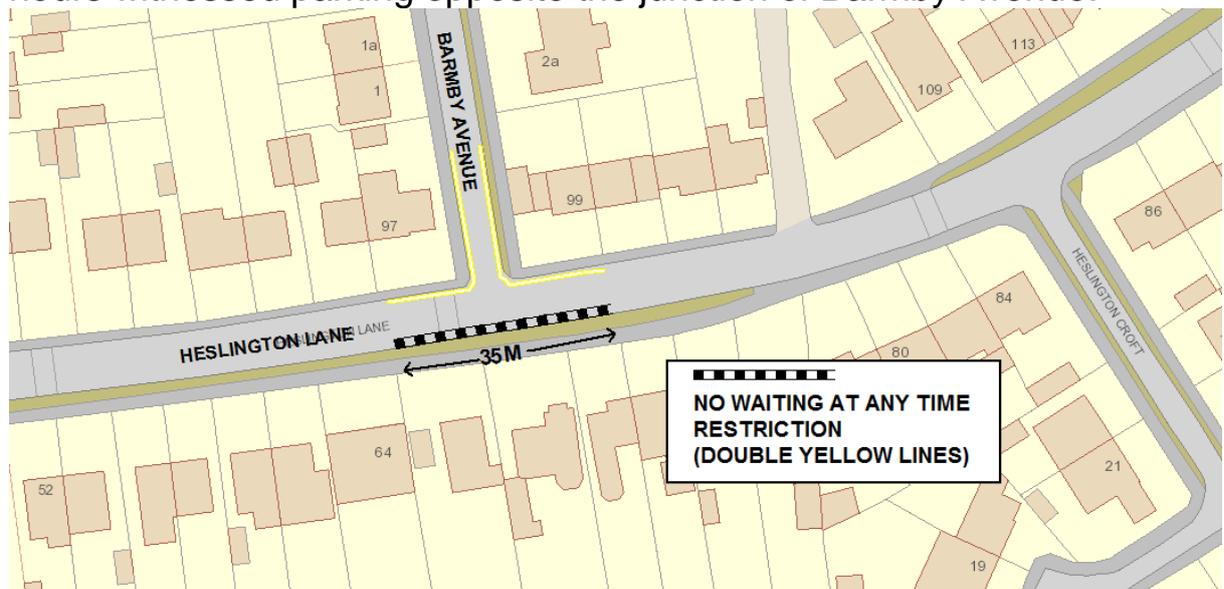

Resident has raised an issue of short term parking during school peak hours on Heslington Lane opposite the junction of Barmby Avenue. Resident has requested double yellow lines be installed following the installation of double yellow lines opposite the junction of Grants Avenue in 2019.

Background information

Barmby Avenue junction is in relatively close proximity to St.Oswalds and Fulford School(150-200m). There is existing no waiting at anytime restrictions in place on the junction of Barmby Avenue and Heslington Lane.

Recommendation

Implement no waiting at any time restrictions for 35metres on Heslington lane opposite the Barmby Avenue Junction. Officer visits during peak hours witnessed parking opposite the junction of Barmby Avenue.

**Cost: Lining £35.00
Total £535.00**

G3

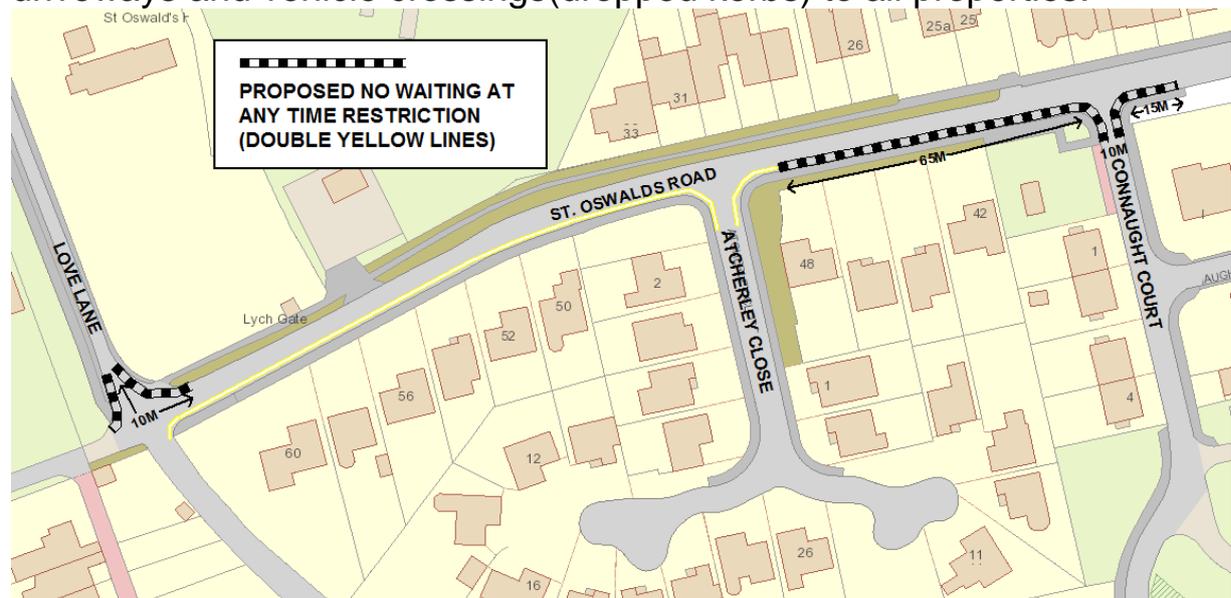

Location: St. Oswalds Road

Nature of problem

Resident has raised an issue of vehicles parking on both sides of the carriageway between the junctions of Connaught Court and Atcherley Close leading to a chicane of parked vehicles and larger vehicles having difficulties proceeding along St.Oswalds Road. Resident also raised an issue of restricted visibility when exiting Love Lane due to vehicles parking close to the junction.

Background information

St. Oswalds Road is a residential street with an electricity sub-station and property numbers 42-48 located on the south side of the road between the junctions of Connaught Court and Atcherley Close. All of these properties have off-street parking amenity for a minimum of two vehicles. The properties on the north side of the road have private driveways and vehicle crossings(dropped kerbs) to all properties.

Recommendation

Implement no waiting at any time restrictions on the south side of the carriageway, including 10metre junction protection for Connaught Court and Love Lane.

Cost: Lining £130.00
Total £660.00
