Subject: Witness Statement

Hi Mark,

Here is my witness statement for the hearing tomorrow:

To the members of the hearing panel,

Last year I was contacted in November by the owner of the Foot Clinic on Hull Road which is in my Ward. They were claiming ownership of the land opposite their property, and had been told that it belonged to CYC. Having confirmed with them that this land was in fact owned by them, they then asked for my assistance in applying to turn this land into a carpark for their business. After several attempts to help them, this issue became bogged down in West Offices. I had a telephone conversation with Mr & Mrs Moore on the 25th January which was overheard by my wife. In that conversation Mr Moore spoke down to me and indicated that I had done nothing to help. This comment caused me some offence, and as my wife heard it, it also caused her some

distress. I have been trying very hard to help this couple, and since my help was not recognised, I have withdrawn from the process.

Kind regards

Martin
