12.7 Cllr Phillips informed the meeting that a CoY Councillor has now taken an interest in the state of the river banks along the whole length of the River Ouse through York and so he will keep a watching brief to see whether any action is taken. If not, then a letter will be sent to Yorkshire Water.

12.9. The slide that was discussed at a previous meeting would cost £5,073 ex VAT but including delivery. The cost of providing the rubberised base is likely to be less than £1,000 but a site survey would be required. No decision yet to be taken as the priority is to organise a rubberised base to the existing play equipment with the grant money already successfully received. ACTION. Cllr Gunson to request supplier quotes and site visits. ACTION. Cllr Ashworth to try and finalise the resolution of the damaged corkscrew section of the existing play equipment.

12.10.
