24.006 - TO RECEIVE THE CITY OF YORK COUNCILLOR'S REPORT – FOR INFORMATION ONLY

City Councillor Anne Hook reported that: -

- The Big Conversation from CYC is a long questionnaire to collect residents' asks for transport in all its form for the next ten years. It would be great if as many residents as possible filled in at least one of the questions, especially buses, so we might get a good bus service in the next ten years. The consultation expires on 4 February.
- CYC's budget for the next year is expected to be released on 17 January after no public consultation. Some big cuts are expected, especially in things like highways and public realm, including fewer grass cuts and a charge for green bins.

- Cllr. Pete Kilbane – executive member for economy, place and transport – was invited to Poppleton just before Christmas and visited Black Dike Lane to see the issues for himself. He spoke to residents and was very supportive, encouraging them to ask for a 20mph limit and signs to indicate it was unsuitable for very large vehicles. Cllrs Kilbane, Knight and Hook will be meeting a highways officer to try to persuade him to strengthen the recommendations in his report on Black Dike Lane.
