

Extract from the Council Constitution Part 3 Schedule 2 concerning the function of ward committees

The function of ward committees are to:

- a. consider the needs of the ward and prepare a Neighbourhood Action Plan for each ward committee area consistent with the Councils overall strategy, policies and priorities in so far as they relate to the ward, and take into views of local residents.

- c. formulate, develop and approve a NAP for the ward and scrutinise the delivery of local services based on the plan contact, giving consideration to the provision of these council services within the ward for which a ward committee budget exists.
