# EXECUTIVE FORWARD PLAN

## What is the Executive Forward Plan?

The Executive Forward Plan is a list of all non-key and key decisions the Authority intends to take during the next four month period. The Plan is updated weekly, every Monday and is available to view on-line at [www.york.gov.uk](http://www.york.gov.uk)

## What is a non-key decision?

For the purposes of the Plan, a non-key decision is defined as a 'decision of normal importance' which:

- the Executive can collectively take as set out in Part 3 of the council's constitution
- which any Executive Member can take individually in line with the Council's Scheme of Delegation

## What is a key decision?

A key decision is defined as a decision which is likely:

- to result in the Council incurring expenditure, or making savings, which are significant having regard to the Council's budget for the service or function to which the decision relates i.e.:
  - make a saving of more than 10% of the budget for a particular area - or be more than £500,000
  - require spending that is more than 10% of the budget for a particular area - or be more than £500,00
- to be significant in terms of its effects on communities

Such 'key decisions' can only be taken by the Executive, unless they have been **specifically** delegated to an Executive Member or Officer, or unless the Leader or Chief Executive is exercising their urgency powers.

---

## **What information does the Forward Plan contain?**

## FORWARD PLAN ITEM

**Meeting:** Executive Leader (incorporating Finance & Performance)

**Meeting Date:** 15/05/17

**Item Type:** Executive Member Decision - of 'Normal' importance

**Title of Report:** Staff Transfer to City of York Trading Ltd

**Description:** Purpose of Report: To agree the transfer of 7 CYC staff to City of York Trading Ltd (CYT). The Council has fulfilled its obligations under TUPE legislation and an pensions admissions agreement will be put in place to ensure that staff can continue to access the Local Government Pension Scheme.

Executive Member is asked to: agree the transfer and note the obligations for CYC under the terms of the admissions agreement.

The Council aims to give the same 28 days clear notice of non key decisions as it does for key decisions, but in exceptional circumstances this may not be possible. In this case, the item will not have been on the forward plan for 28 days before the decision is taken. Officers have advised that it is important that the report be considered at the earliest opportunity as the legal agreement (Pensions Admissions Agreement) has now been agreed in principal, subject to a final agreement on the staff transfer being made, by all parties (CYC, NYCC and CYT) and any significant delay to the transfer decision being considered could lead to a need to redraft the legal agreement and incur additional cost to all parties.

The issue of the staff transfer was discussed at the Shareholder committee on the 20 March, however this paper would formalise the decision making relating to the transfer.

Formal consultation commenced with the staff and Trade Unions on the 17 February 2017. We have shared all of the relevant due diligence information required under TUPE and have completed an application for an admissions agreement to remain in the North Yorkshire Pension Scheme.

The Shareholder committee was informed of the proposed transfer at the meeting on 20 March 2017.
