# EXECUTIVE FORWARD PLAN

## What is the Executive Forward Plan?

The Executive Forward Plan is a list of all non-key and key decisions the Authority intends to take during the next four month period. The Plan is updated weekly, every Monday and is available to view on-line at [www.york.gov.uk](http://www.york.gov.uk)

## What is a non-key decision?

For the purposes of the Plan, a non-key decision is defined as a 'decision of normal importance' which:

- the Executive can collectively take as set out in Part 3 of the council's constitution
- which any Executive Member can take individually in line with the Council's Scheme of Delegation

## What is a key decision?

A key decision is defined as a decision which is likely:

- to result in the Council incurring expenditure, or making savings, which are significant having regard to the Council's budget for the service or function to which the decision relates i.e.:
  - make a saving of more than 10% of the budget for a particular area - or be more than £500,000
  - require spending that is more than 10% of the budget for a particular area - or be more than £500,00
- to be significant in terms of its effects on communities

Such 'key decisions' can only be taken by the Executive, unless they have been **specifically** delegated to an Executive Member or Officer, or unless the Leader or Chief Executive is exercising their urgency powers.

---

## **What information does the Forward Plan contain?**

In relation to each issue entered on the Forward Plan, there are details of:

- the date on which or time period within which the decision will be taken;

**Description:** Purpose of the report: This is an annual refresh of the 30 year business plan.

The Executive will be asked to agree the amended plan and finances.

This item has been deferred from the Executive meeting on 28 September to 19 October 2017. Following the election in June there has been some uncertainty that means it would be prudent to put the revised plan back to October.

As part of the Housing business plan review, there is a need to review the depreciation methodology as the self financing transitional arrangements are coming to an end. We are seeking external assistance to do this piece of work and to allow time for this to happen it has been necessary to further defer this item to the Executive meeting on 15 November 2017.
