# EXECUTIVE FORWARD PLAN

## What is the Executive Forward Plan?

The Executive Forward Plan is a list of all non-key and key decisions the Authority intends to take during the next four month period. The Plan is updated weekly, every Monday and is available to view on-line at [www.york.gov.uk](http://www.york.gov.uk)

## What is a non-key decision?

For the purposes of the Plan, a non-key decision is defined as a 'decision of normal importance' which:

- the Executive can collectively take as set out in Part 3 of the council's constitution
- which any Executive Member can take individually in line with the Council's Scheme of Delegation

## What is a key decision?

A key decision is defined as a decision which is likely:

- to result in the Council incurring expenditure, or making savings, which are significant having regard to the Council's budget for the service or function to which the decision relates i.e.:
  - make a saving of more than 10% of the budget for a particular area - or be more than £500,000
  - require spending that is more than 10% of the budget for a particular area - or be more than £500,00
- to be significant in terms of its effects on communities

Such 'key decisions' can only be taken by the Executive, unless they have been **specifically** delegated to an Executive Member or Officer, or unless the Leader or Chief Executive is exercising their urgency powers.

**Level of Risk:**

**Reason Key:** A decision which is likely to result in the Council incurring expenditure, or making savings which are significant having regard to the Council's budget for the service or function to which the decision relates. The savings or expenditure are significant if they are equal to or greater than £500,000 or equal to or greater than £100,000 where the savings or expenditure

exceeds 10% of the budget for the service plan area whichever is the less. Expenditure in excess of these levels will not constitute a key decision if such expenditure is made as part of the implementation of a decision which itself was a key decision e.g. the award of a contract.

**Making Representations:**

Background documents  
Executive on 7th December 2017 agreed to close Windsor House older persons' home. They made that decision in the knowledge that the closure of Windsor House would prompt the need to re-locate the boiler for Lincoln Court Sheltered Housing (which is next door) and address other overdue works at Lincoln Court, triggering an investment review for this building including potential re-modelling to ensure its longer term future supporting independent living for older people in this area

The proposals for Lincoln Court should be seen in the context of the overall Older Persons' Accommodation Programme which was agreed by Executive on 30th July 2015

**Process:**

Tenants at Lincoln Court have already been engaged in a discussion about the proposals so that their views and needs are able to influence the proposal. Further engagement with tenants and local residents will be used to shape the design of the new-look Lincoln Court prior to the submission of a planning application.

The users of the current community facilities will also be engaged in shaping the re-design and the development of the new facilities and services.

A planning application will be submitted and this will be the subject of formal planning consultation and scrutiny.

The Older Persons;' Accommodation Programme is guided by a Stakeholder Group which includes third sector organisations and representatives of older people who live in the city.

Community facility users.
