# EXECUTIVE FORWARD PLAN

## What is the Executive Forward Plan?

The Executive Forward Plan is a list of all non-key and key decisions the Authority intends to take during the next four month period. The Plan is updated weekly, every Monday and is available to view on-line at [www.york.gov.uk](http://www.york.gov.uk)

## What is a non-key decision?

For the purposes of the Plan, a non-key decision is defined as a 'decision of normal importance' which:

- the Executive can collectively take as set out in Part 3 of the council's constitution
- which any Executive Member can take individually in line with the Council's Scheme of Delegation

## What is a key decision?

A key decision is defined as a decision which is likely:

- to result in the Council incurring expenditure, or making savings, which are significant having regard to the Council's budget for the service or function to which the decision relates i.e.:
  - make a saving of more than 10% of the budget for a particular area - or be more than £500,000
  - require spending that is more than 10% of the budget for a particular area - or be more than £500,00
- to be significant in terms of its effects on communities

Such 'key decisions' can only be taken by the Executive, unless they have been **specifically** delegated to an Executive Member or Officer, or unless the Leader or Chief Executive is exercising their urgency powers.

---

## **What information does the Forward Plan contain?**

In relation to each issue entered on the Forward Plan, there are details of:

- the date on which or time period within which the decision will be taken;

## FORWARD PLAN ITEM

**Meeting:** Executive

**Meeting Date:** 15/12/20

**Item Type:** Executive Decision - of 'Normal' Importance

**Title of Report:** Amendment to Council Tax Support Scheme

**Description:** Purpose of Report: The council had intended undertaking a full consultation process during 2020 to bring forward a new scheme for approval. The coronavirus pandemic meant this was postponed until 2021. However a minor change to the scheme that required minimum consultation (6 weeks) has gone ahead. The change is to stop the multiple bills been sent to customers in receipt of universal credit generated by minor fluctuations in their pay. This has led to confusion, and the change has also been requested by third sector organisations who represent many of the customers. Whilst a minor change the legislation requires full council approval.

**Wards Affected:** The Executive will be asked to approve the new scheme.
