# EXECUTIVE FORWARD PLAN

## What is the Executive Forward Plan?

The Executive Forward Plan is a list of all non-key and key decisions the Authority intends to take during the next four month period. The Plan is updated weekly, every Monday and is available to view on-line at [www.york.gov.uk](http://www.york.gov.uk)

## What is a non-key decision?

For the purposes of the Plan, a non-key decision is defined as a 'decision of normal importance' which:

- the Executive can collectively take as set out in Part 3 of the council's constitution
- which any Executive Member can take individually in line with the Council's Scheme of Delegation

## What is a key decision?

A key decision is defined as a decision which is likely:

- to result in the Council incurring expenditure, or making savings, which are significant having regard to the Council's budget for the service or function to which the decision relates i.e.:
  - make a saving of more than 10% of the budget for a particular area - or be more than £500,000
  - require spending that is more than 10% of the budget for a particular area - or be more than £500,00
- to be significant in terms of its effects on communities

Such 'key decisions' can only be taken by the Executive, unless they have been **specifically** delegated to an Executive Member or Officer, or unless the Leader or Chief Executive is exercising their urgency powers.

---

## **What information does the Forward Plan contain?**

Council led safety improvements to this route, including a refuge area on Scarcroft Road, could improve safety for all users. Mindful of the imminent Environment Agency works this needs to be considered as soon as possible.

However initial contact with local residents has indicated concerns with the suggested temporary measures that have been identified.

Changes to existing TROs would need to be advertised prior to a decision being taken on whether to implement a scheme in the area.

The Executive Member will be asked to consider allocation of resources to improve the existing advisory Cycle Route between Nunnery Lane and Nunthorpe Grove and undertake further investigation and delegate the advertising of the legal orders as necessary with a further report to be brought back for a decision on whether to deliver or not.

It has not been possible to give 28 days' notice of the intention to make this decision as imminent Environment Agency works in Clementhorpe relate and concerns relating to the temporary measures have been identified by residents which need to be addressed prior to commencement of works.
