Date 7<sup>th</sup> March 2017

To the Residents:

St Aubyns Place

Dear Resident

### **Request for a Residents' Priority Parking Scheme (Respark)**

We are writing to you because we received a petition asking us to consider introducing a Respark scheme on St Aubyns Place.

### **Consultation documents**

The following information and documents are enclosed:

1. General information about a Residents' Priority Parking Scheme
2. A plan of the proposal
3. A ballot form
4. A freepost envelope

We are proposing a scheme that may not be like others you have experienced around the city. It does not involve extensive signing and lining works and will allow you to park anywhere on street not covered by a waiting restriction (yellow lines), as long as, by so doing, no obstruction of the carriageway has occurred.

We can only accept one ballot sheet from each household. **Please complete and return to us in the Freepost envelope provided by Friday 7<sup>th</sup> April.**

If you prefer you can email your response to [highway.regulation@york.gov.uk](mailto:highway.regulation@york.gov.uk)  
Please give the information we have asked for on the ballot sheet, including your name and address.

Because your preferences will determine whether we take this forward and initiate the legal process to amend the Traffic Regulation Order, it is important you return your ballot sheet.

You can add and return any comments you wish to make. We would like to know if any of the following circumstances apply to you:

- You have special needs/circumstances that you believe would be disadvantaged by the introduction of a Respark scheme
- If you rent your property, please write the contact details of the owner (if known) or managing agent on the ballot sheet. You should still let us know your preferences. We will contact the owner separately.

The results of the consultation will be reported to the Executive Member for Transport and Planning (Cllr Ian Gillies) at a Public Decision Session. We will let you know when this will be to give you the opportunity to attend. You can arrange to speak at this meeting if you want.

Please contact me on 01904 551497 (direct line) or email

[highway.regulation@york.gov.uk](mailto:highway.regulation@york.gov.uk) if you wish to discuss this further or require any clarification.

Yours faithfully

## A Residents' Priority Parking Scheme

In January 2012, the Department for Transport amended Road Traffic Regulations. The amended regulations permit us to reserve a road for permit holders during an indicated period (or 24 hours) where parking bays are not marked. These are suitable for cul-de-sacs or enclosed areas where the witnessed problems associated with inconsiderate parking are due to the level of non-resident parking.

Because of the changes, we can now offer residents a Residents' Priority Parking Scheme (Respark) where the resident has more control. You can park anywhere on street as long as you are not parked on any yellow lines, across a dropped kerb placed for the purpose of vehicle or pedestrian access/crossing or cause an obstruction.

Signs are mounted at the beginning of the restricted area to inform drivers that parking is reserved for permit holders. The scheme can operate full time, or on a part-time basis depending on majority resident preference. The timing on the shown sign is an example: – please indicate your preferred times of operation on the ballot sheet enclosed. Outside any specified times the street would be available for any vehicle to park. A Mon-Fri, 9am to 5pm scheme gives residents and their visitors more flexibility on an evening and weekend. A full time scheme may be more beneficial if non-resident parking remains at significant levels during evenings and weekends.

Our Respark schemes cannot guarantee a space will be available. A scheme is introduced to give residents priority over available space within the boundary of the scheme. In areas of high density housing, pressure for space can still occur.

There would be no parking allowed for any non-permit holders whilst the scheme is in operation. Any visitors to your property would require a visitor permit, even for a short duration (except for those activities that are listed

below).

### **Exemptions within the Traffic Regulation Order**

A Resident Parking scheme is a parking restriction; it does not prevent access. Non residents can wait on street in order to undertake one of the following activities.

1. Loading and unloading, including passengers. For example, you would still be able to get goods delivered, move house, or a friend arrive to collect you or drop you off without the need to display a permit. Our Civil Enforcement Team wait for approximately 5 to 10 minutes to ensure no loading activity is occurring before issuing a penalty charge notice to a vehicle which does not display a valid permit.
2. Vehicles displaying a valid disabled permit (blue badge).
3. Vehicles used for medical requirements, or for weddings and funerals.
4. Vehicles which belong to emergency services, statutory bodies or vehicles being used for highway works.

If you are having work done on the house, your builder or other tradesman can use a visitor permit or purchase a "builders permit" from parking services for a small daily charge (£3.10) or a quarterly charge (£117).

### **Enforcement**

If a vehicle parks without a permit, the driver becomes liable for a Penalty Charge, issued by our Civil Enforcement Team.

**Annual charges for Permits from APRIL 2017 are:**

<b>HOUSEHOLD PERMIT</b>	<b>Annual Charge</b>	<b>Quarterly Charge</b>
CARS IN DVLA VEHICLE BAND D – I AND VEHICLES REGISTERED PRE 2001	£98.50	£30

SECOND PERMIT	£177	£55.50
THIRD PERMIT	£355	£97

**Household Authorisation Cards** entitle the holder to obtain Visitors Permits. The cards are issued automatically with a Household Permit but a householder is entitled to a Card without exercising an entitlement to a Household Permit.

Visitor permits are purchased in books of 5 and you are allowed an annual allowance of 200, but no more than 40 can be purchased in any one month.

The annual charge for a Household Authorisation Card from April 2017 is:

Household Authorisation Card	when the Card is issued at the same time as a Household Permit	Nil
Discount Authorisation Card	See eligibility overleaf*	Nil
Household Authorisation Card	In all other circumstances	£3

- In receipt of long-term incapacity benefit

### Visitor Permit

A Visitor Permit entitles the holder to park a vehicle for the day of issue and up to 10am on the day following. Your visitor displays the date of use on each individual Permit before displaying in the vehicle.

The charge for a Visitor Permit from April 2017 is:

VISITOR PERMIT	(1) when the purchase is supported by a Household Authorisation Card	£6 (for 5)
	(2) when the purchase is supported by a Discount Authorisation Card	£1.50 (for 5)
