Report of the Director of Resources

COUNCIL TAX RESOLUTION 2008/09

SUMMARY

- 1 This report asks Members to approve the rate of Council Tax for 2008/09. Although the legal requirement is that the Council must have set a balanced budget and the Council Tax charge by 11 March it is important that Council Tax rates are approved at this meeting to allow sufficient time to produce and post Council Tax bills and meet all statutory deadlines.
- 2 This report sets out the resolution based on the budget approved by Council on 21 February 2008.
- 3 Members are reminded that the individual Council Tax bill is comprised of four elements - the amount levied for City of York Council, the amount precepted by the North Yorkshire Police Authority, the amount precepted by the North Yorkshire Fire and Rescue Authority and, for properties in a parished area of the city, the amount precepted by the individual Parish Council.

BACKGROUND

- 4 The Council's net revenue budget and capital programme were approved by Council on 21 February 2008.
- 5 The Council Tax levels to be proposed will include the precepts received from the parish councils, the North Yorkshire Police Authority and the North Yorkshire Fire and Rescue Authority. Members are reminded that the Council must word the resolution in precise language, as directed by legislation.

Parishes

- 6 The total of parish precepts have risen by £31,563.00 (5.96%) from those levied in 2007/08. This masks a variety of changes in the individual parishes from a reduction of 6.84% to an increase of 65.52%. The individual precepts are only charged to the residents in that parish. The total rise in precepts over the last six years has been £128.4k (29.66%). Figure 1 shows the comparison of Band D charges for each parish.

Figure 1 – Parish Council Tax Levels 2007/08 and 2008/09

North Yorkshire Police Authority

- 7 At its meeting on 25 February 2008 the North Yorkshire Police Authority approved an increase of 4.3% in its' precept (to £193.37 for a band D property) between 2007/08 and 2008/09.

North Yorkshire Fire and Rescue Authority

- 8 At its meeting on 25 February 2008 the North Yorkshire Fire and Rescue Authority approved an increase of 4.5% in its' precept (to £58.56 for a band D property) between 2007/08 and 2008/09.

National Non-Domestic Rates (NNDR)

- 9 The level of the poundage for the NNDR is set by the government, and has no impact on the council tax set by the Council. The base amount for 2008/09 is 46.2p which is an increase of 1.8p (4.05%) from 2007/08. The rate for small properties has been set at 45.8p, an increase of 1.7p (3.85%) from 2007/08. The lower multiplier (45.8p) will apply to small properties provided they meet government specified criteria, which do not only relate to the individual property but to the aggregate of properties occupied by the ratepayer throughout the whole country. The net effect of the changes in the multipliers is expected to raise the cost of NNDR to businesses broadly in line with inflation.
