She also raised several quires regarding the Capital Budget and asked if smaller capital projects could go to Executive Member Decision Sessions for approval.

Janice Gray raised questions about why York Theatre Royal was being assigned funds in the council budget?

The Executive Members noted that York Theatre Royal was a National Portfolio Organisation and that it would therefore receive funding from the Art Council as long as City of York Council was also making a financial contribution.

8. Financial Strategy 2020/21 to 2024/25

Officers introduced a report on the Financial Strategy for 2020/21 to 2024/25. Key areas in the report were discussed including the capital budget. It was noted that there was an amendment to make to annex 4, paragraph 107 of the agenda that the ICT Capital Program was receiving an increase of £350k (not £250k) from years 21/22 onwards to reflect the increased demand. Officers outlined what had been done to consult both

residents and business in the city as part of the budget process. Executive Members requested that further detail on business' responses to the consultation be included when the Financial Strategy is brought to the meeting of the Executive.

The Executive Members confirmed when the budget is presented at Budget Council meeting on 27 February 2020 it would include a detailed equality impact assessment.

Resolved:

- i. That the feedback from consultation for Leader (incorporating Policy, Strategy and Partnerships) and Finance and Performance portfolios, as set out in Annex 3 to the report, be noted;
