

Report of the Director of Governance

York Railway Station Gateway

Summary

1. On Thursday 26 November, the Executive is due to receive a report on the current status of the York Railway Station Gateway project. The Economy and Place Policy and Scrutiny Committee have requested an early oversight of this report being considered by Executive, so that they may keep up to date with developments.

Background

2. The York Railway Station Gateway scheme comprises a coordinated, multi-modal package of interventions in and around York Railway Station. The Executive report will seek Members approval of a phased delivery approach and seek approval for a series of recommendations that allows the project to progress.

Consultation

3. No consultation was required in the preparation of this report.

Options

4. The Committee is asked to consider the report and its annexes and provide feedback to the Executive Member.

Council Plan 2019-23

5. The consideration of this report by scrutiny supports working as an 'open and effective council'.

Implications

10. There are no direct implications associated with this report.

Risk Management

11. There are no known risks associated with the recommendations in this report.

Recommendations

12. The Committee is asked to consider the report and its annexes and provide feedback to the Executive Member.
