27/4/2022	Addressing York's Dental Crisis	This Council therefore resolves to: <ul style="list-style-type: none"> • Ask the Executive Member for Health and Adult Social Care to bring regular reports on the state of local dentistry to decision sessions, seeking input from relevant scrutiny committees. 	Jamaila Hussain / Sharon Stoltz	It is more appropriate for the Health and Wellbeing Board to receive regular reports on the state of local dentistry given that there is NHS representation and cross party membership. The Health and Wellbeing Board reports regularly to the Health and Adult Social Care Scrutiny Committee and to Council via the Executive Member updates. Therefore it is considered inappropriate to use Executive member Decision Sessions for this purpose.

		<ul style="list-style-type: none"> Ask that the Executive Member makes the case for harnessing opportunities to improve dental service provision locally through the development of Integrated Care Systems (ICS). 	Jamaila Hussain / Sharon Stoltz	The responsibility for commissioning dental services sits with NHS England & Improvement (NHSE/I) and not the Integrated Care System. In York the Council's Public Health Team are already working with NHSE/I commissioners to ensure that we realise the benefits of Flexible Commissioning within the constraints of the national contract for provision of NHS Dentistry.
		<ul style="list-style-type: none"> Ask all group leaders and local health and NHS partners to write a joint letter to the Health Secretary outlining concerns over local provision and access to services, outlining urgent reforms which need to take place, including boosting spending, reforming commissioning to tackle the twin crises of access and affordability, recognising overseas dentistry qualifications and implementing an urgent programme to recruit and retain more NHS dentists. 	Jamaila Hussain / Sharon Stoltz	The Director of Public Health, on behalf of the Health and Wellbeing Board, has already been in contact with the Secretary of State and sent a letter to the Chief Dental Officer on 1st November 2001 explaining the Board's concerns about access to dental services in York and including reference to the Healthwatch York reports. The Chief Dental Officer referred our concerns to the NHSE/I North East & Yorkshire Regional Team responsible for Primary Care Commissioning (including dentistry). The Director of Public Health has met with this team who have since attended Health & Adult Social Care Policy & Scrutiny Committee to discuss the challenges around access to dentistry etc. This work is ongoing as described above but is constrained by the NHS Dental Contract. The Department of Health and Social Care is aware of the need to

				review the contract and the need for training etc and the government is being lobbied by a group of MPs representing constituencies across England to bring forward the timescale for this work. There is, therefore, nothing to be gained by writing a further letter from group leaders and local health and NHS partners when the matter is already being lobbied at central government.
27/4/2022	End 'Fire and Rehire'	Council therefore resolves to: <ul style="list-style-type: none"> ask the MPs for York Central and York Outer to write to the Prime Minister, demanding he acts now to outlaw fire and rehire, and to keep his promise to York residents to protect their terms and conditions of employment; 	Cllr Aspden / Ian Floyd / Will Boardman	Will Boardman to draft letter to York MPs.
