4. PROPOSED ENERGY ACCELERATOR PILOT PROJECT

The Executive Member for Housing and Safer Neighbourhoods, in consultation with the Executive Member for Environment and Climate Change:

Resolved: To design a hybrid project with elements of both Option 1 and 2, focused on Dennis Wilde properties whereby up to 8 properties are brought up to ENerPhit standard and around 30 homes up to EPC 'C'.

Reason: Continuation with the pilot project proposal on the basis of producing retrofit specification models suitable to bring around 30 of the City of York Council's worst performing property archetypes up to EPC level 'C', combined with designs to bring up to 8 properties up to the ENerPHit standard.
