# EXECUTIVE FORWARD PLAN

## What is the Executive Forward Plan?

The Executive Forward Plan is a list of all non-key and key decisions the Authority intends to take during the next four month period. The Plan is updated weekly, every Monday and is available to view on-line at [www.york.gov.uk](http://www.york.gov.uk)

## What is a non-key decision?

For the purposes of the Plan, a non-key decision is defined as a 'decision of normal importance' which:

- the Executive can collectively take as set out in Part 3 of the council's constitution
- which any Executive Member can take individually in line with the Council's Scheme of Delegation

## What is a key decision?

A key decision is defined as a decision which is likely:

- to result in the Council incurring expenditure, or making savings, which are significant having regard to the Council's budget for the service or function to which the decision relates i.e.:
  - make a saving of more than 10% of the budget for a particular area - or be more than £500,000
  - require spending that is more than 10% of the budget for a particular area - or be more than £500,00
- to be significant in terms of its effects on communities

Such 'key decisions' can only be taken by the Executive, unless they have been **specifically** delegated to an Executive Member or Officer, or unless the Leader or Chief Executive is exercising their urgency powers.

---

## **What information does the Forward Plan contain?**

In relation to each issue entered on the Forward Plan, there are details of:

- the date on which or time period within which the decision will be taken;
- the wards affected;
- how to make representations on the issue in hand; and
- what the consultation will be taking place, where applicable.

## **If I have a query about an entry on the Forward Plan, who do I contact ?**

Wherever possible, full contact details are listed in the individual entries in the Forward Plan. If you are unsure how to make contact or have any general enquiries about the Forward Plan, please ring Democratic Services on Tel No. 01904 551031

## FORWARD PLAN ITEM

**Meeting:** Executive Member for Environment

**Meeting Date:** 09/05/16

**Item Type:** Executive Member Decision - of 'Normal' importance

**Title of Report:** Steps Towards a Single Health & Safety (H&S) Organisation

**Description:** Purpose of Report: The Joint Head of Health & Safety (H&S) for York and North Yorkshire Councils has spent the last year restructuring at North Yorkshire County Council (NYCC) and looking at best practice across both H&S services. To ensure resilience and best use of resources staff need to start working as one workforce so resources and skills can be moved across both services.

The development of a single workforce will require a decision in the short term to second the remaining 5 City of York Council (CYC) staff to NYCC on their current pay grade This would be robustly set to up with formal secondment agreements for CYC staff and an equally robust Service Level Agreement (SLA) to ensure that the form, resilience and quality of H&S service received by CYC is at least maintained if not improved.

This arrangement would be short term to last no more than a year, and during this time an options paper and business case will come to Executive to set up a formally constituted shared organisation with the options around the various service delivery models available to do so.

The Executive Member is asked to approve the secondment of 5 employees from the City of York Health and Safety Team to North Yorkshire County Council to ensure resilience and best use of resources.

**Meeting:** Executive Member for Economic Development and Community Engagement (Deputy Leader)

**Meeting Date:** 10/05/16

**Item Type:** Executive Member Decision - of 'Normal' importance

**Title of Report:** Additional Pride in York Funding

**Description:** Purpose of Report: This report concerns the additional £150k Pride in York Funding agreed in the budget process. It proposes:

- An approach to the use of the £50k element allocated to fund community and voluntary sector organisations who can support wards with community led environmental and gardening type projects
- Support that can be given to wards to help them use the £100k element devolved to them effectively .

The Executive Member for Economic Development and Community Engagement (Deputy Leader) is asked to agree the approach in consultation with the Executive Member for Culture, Leisure & Tourism and the Executive Member for Environment.

## FORWARD PLAN ITEM

**Meeting:** Executive Member for Transport and Planning

**Meeting Date:** 12/05/16

**Item Type:** Executive Member Decision - of 'Normal' importance

**Title of Report:** Speed Management Engineering Programme 2015/16

**Description:** Purpose of Report: To seek approval to proceed with schemes at sites where an amended design would overcome objections or where adverse feedback is not considered to be significant. Where this is not possible further feasibility work is recommended.

The Executive Member is asked to approve the proposed speed management schemes and authorise officers to undertake the advertisement of speed limit orders as necessary, and to implement the proposals if no objections are received. Any measures which receive objections would be reported back to the Executive Member for a decision at the next opportunity.

This report has been slipped as this decision would be made during the Purdah period. Speed management can be controversial and may potentially become an issue that candidates for the Police and Crime Commissioner would wish to talk about. It will now be considered at the Executive Member for Transport and Planning Decision Session on 12 May 2016.

**Title of Report:** Delivery of Community Facilities at the Burnholme Health & Wellbeing Campus

**Description:** Purpose of Report: To consider the new community facilities at the Burnholme Health and Wellbeing campus following on from examination of the future of this school site by Executive in October 2015.

The Executive are asked to consider the investment in the new community facilities.

This item has been deferred until 19 May Executive.

Officers will continue to progress Department of Education approval for change of use of the Burnholme Community College site but until this consent is in train/approved it is not thought prudent to progress with consent to move forward with the delivery of community facilities at Burnholme.

**Wards Affected:** Haxby & Wigginton Ward; Heworth Ward; Osbaldwick and Derwent Ward

### Implications

**Level of Risk:**

**Reason Key:** A decision which is likely to result in the Council incurring expenditure, or making savings which are significant having regard to the Council's budget for the service or function to which the decision relates. The savings or expenditure are significant if they are equal to or greater than £500,000 or equal to or greater than £100,000 where the savings or expenditure

exceeds 10% of the budget for the service plan area whichever is the less. Expenditure in excess of these levels will not constitute a key decision if such expenditure is made as part of the implementation of a decision which itself was a key decision e.g. the award of a contract.

**Making Representations:** Contact report author

**Process:** Public consultation on the future uses of the Burnholme school site was carried out in the winter and spring of 2014. Further consultation with users and local residents will be undertaken regarding the design of the community facilities prior to the submission of a planning application. Public consultation will also be undertaken on the other uses of the site and how the space can be best utilised.

## FORWARD PLAN ITEM

**Meeting:** Executive Member for Transport and Planning

**Meeting Date:** 09/06/16

**Item Type:** Executive Member Decision - of 'Normal' importance

**Title of Report:** Casualty Reduction 15/16 Programme – Objections Report

**Description:** Purpose of Report: To report back any objections received to consultation regarding casualty reduction schemes at Hull Road/Tang Hall Lane, Gale Lane/Cornlands Road and Tudor Road/Kingsway West.

The Executive Member will be asked to consider officer recommendations and decide whether to uphold or overrule the objections.

This item has been withdrawn from the Forward Plan because consultation for the Local Safety Schemes (LSS) had been concluded and no objections had been received. The approval in the LSS report presented to the Executive Member for Transport and Planning in February this year allowed the council to proceed with the schemes without reporting back if no objections were raised.

**Process:** The Health and Social Care Act (2012) outlined new statutory responsibilities to local authorities (LA) for the health of their populations. From the 1st April 2013 City of York Council assumed key responsibilities across the three domains of public health – health improvement, health protection and healthcare. Some elements of the treatment of problematic alcohol and drug users at this time became the responsibility of City of York Council. In York this responsibility is managed within the public health team governed by the Director of Public Health. The key elements of responsibility are set out in the government's alcohol and drug strategies and within the statutory responsibilities of the public health provision within local authorities. Some elements of the provision of alcohol and illicit drug treatment are statutory, alongside the required outcome set out in PHOF2.15. This requires local authorities to report on their achievement of providing services which enable customers to sustain abstinence from substance misuse post treatment.

The service provision of alcohol and illicit drug treatment is subject to regular consultation in a variety of ways. For the purposes of re-commissioning the following has taken place:

1. A time limited alcohol and Illicit drugs commission steering group formulated. This includes key partners and provides a forum for ongoing consultation leading up to procurement.
2. Service recipients and their families have been given opportunities to formally engage with the PH commissioning group.
3. Previous service recipients have been consulted in a series of forum events across the year.
4. Clinical practitioners have been engaged through the CCG
5. Partners and co-commissioners such as the OPCC and CCG have been formally engaged in a series of meetings to explore opportunities and thoughts on the format for re-commissioning.
6. Industry experts were consulted formally to assess the potential model for re-commissioning
7. Academic specialists were consulted and key academic research was searched to inform thinking.
8. Academic evaluation took place to inform the evaluation of the current models and to highlight areas of improvement.

### Implications

**Level of Risk:**

**Reason Key:** A decision which is likely to result in the Council incurring expenditure, or making savings which are significant having regard to the Council's budget for the service or function to which the decision relates. The savings or expenditure are significant if they are equal to or greater than £500,000 or

equal to or greater than £100,000 where the savings or expenditure exceeds 10% of the budget for the service plan area whichever is the less. Expenditure in excess of these levels will not constitute a key decision if such expenditure is made as part of the implementation of a decision which itself was a key decision e.g. the award of a contract.

**Meeting:** Executive

**Meeting Date:** 14/07/16

**Item Type:** Executive Decision - a 'Key Issue' - decision leading to savings or expenditure of £500,000 or above

**Title of Report:** Proposals for Children's Centre and City Centre Youth Offer Provision

**Description:** Purpose of Report: This paper is a response to the decisions made at an Executive Meeting on 17 March 2016. Members were asked to agree the following:

- endorse the implementation of new place-based prevention and early intervention services within Local Area Teams
- agree to a public consultation and further paper on the delivery of the children's centres as part of the new operating model
- agree to receive a further paper addressing finalised proposals on revising the city wide and city centre youth offer as part of the new operating model

The report will outline the public response to the Children's Centre consultation and identify proposals for both the delivery of services at an early years level, as well as intended plans for the delivery of services from current children's services locations. It will outline preferred options for this and how this will then be implemented as part of the Local Area Teams approach which was endorsed at the March meeting.

The city wide youth offer will be identified to the Executive with specific detail around how the city centre offer will look. The paper agreed by Executive in March set out the following as key features of the new offer:

- identifying the best delivery vehicle for the counselling service
- early identification, tracking and response to older young people within the Local Area Team model, for proactive engagement within their communities
- a potential shared approach to city centre drop-in access

Members will be asked to:

- approve proposals to review the delivery of children's centre services in line with the Local Area Team approach.
- endorse the plans for the city wide youth offer and redesign of the city centre youth offer within this.

### Process:

The paper will include specific public consultation on reviewing the use of children's centre services. The approach has been to take views on 3 key proposals within this:

- ensuring support for all families
- do more when families need more
- make the best use of our buildings and staff

The consultation has been delivered in a variety of ways to residents, families and practitioners across the city. An online survey is in process as well as one to one support for more targeted families to contribute where needed. Various forums with children's centre customers and partners will also be included. The consultation itself has been designed in conjunction with children's centre staff and current centre users.

A consultation on city centre access to support was completed in Autumn 2015 and was included within the Executive meeting in March 2016. Elements of this will again be referred to. Work has also been undertaken with Castlegate and Connexions staff, and partners involved in city centre offers to young adults and older young people.

As the wider Local Area Team model progresses, a series of staff and partner engagement communications and sessions have been undertaken to ensure ongoing dialogues as the model develops.

To date consultees have included:

- Children's Centre service users
- whole city population
- young people accessing Castlegate
- CYC staff (with a focus on CSES and CANS)
- partner agencies
