# EXECUTIVE FORWARD PLAN

## What is the Executive Forward Plan?

The Executive Forward Plan is a list of all non-key and key decisions the Authority intends to take during the next four month period. The Plan is updated weekly, every Monday and is available to view on-line at [www.york.gov.uk](http://www.york.gov.uk)

## What is a non-key decision?

For the purposes of the Plan, a non-key decision is defined as a 'decision of normal importance' which:

- the Executive can collectively take as set out in Part 3 of the council's constitution
- which any Executive Member can take individually in line with the Council's Scheme of Delegation

## What is a key decision?

A key decision is defined as a decision which is likely:

- to result in the Council incurring expenditure, or making savings, which are significant having regard to the Council's budget for the service or function to which the decision relates i.e.:
  - make a saving of more than 10% of the budget for a particular area - or be more than £500,000
  - require spending that is more than 10% of the budget for a particular area - or be more than £500,00
- to be significant in terms of its effects on communities

Such 'key decisions' can only be taken by the Executive, unless they have been **specifically** delegated to an Executive Member or Officer, or unless the Leader or Chief Executive is exercising their urgency powers.

---

## **What information does the Forward Plan contain?**

In relation to each issue entered on the Forward Plan, there are details of:

- the date on which or time period within which the decision will be taken;
- the wards affected;
- how to make representations on the issue in hand; and
- what the consultation will be taking place, where applicable.

## **If I have a query about an entry on the Forward Plan, who do I contact ?**

Wherever possible, full contact details are listed in the individual entries in the Forward Plan. If you are unsure how to make contact or have any general enquiries about the Forward Plan, please ring Democratic Services on Tel No. 01904 551031

## FORWARD PLAN ITEM

**Meeting:** Executive Member for Adult Social Care and Health

**Meeting Date:** 15/06/17

**Item Type:** Executive Member Decision - of 'Normal' importance

**Title of Report:** Genito Urinary Medicine Cross Charging

**Description:** Purpose of Report: To provide information as to the review of sexual health, which included the regional approach to cross charging, undertaken by the Yorkshire and Humber Regional Network of the Association of Directors of Public Health in November 2016.

The Directors of Public Health have agreed to reduce the previously published Yorkshire and Humber regional tariff in 2017/18.

The Executive Member is asked to: Approve the reduction to the regional tariff.

The decision date has been deferred from 24 April to 15 June 2017 to accommodate further discussions with the regional sexual health commissioning network.

**This item has been withdrawn** - at their regional meeting in March 2017 the Directors of Public Health from Yorkshire and the Humber asked for clarification on a number of issues that had been raised across the region. Until clarification is received and a regional approach has been agreed the paper cannot go for approval within individual Local Authorities. It is important that a regional approach is agreed as this lessens the likelihood of legal challenge to local authorities.

**Meeting Date:** 22/06/17

**Item Type:** Executive Member Decision - of 'Normal' importance

**Title of Report:** Traffic Signal Asset Renewal – Heworth Road / Melrosegate, Tadcaster Road / St Helens, Rougier St / Tanner Row

**Description:** Purpose of Report: The report describes changes to 4 traffic signal junctions in York. The equipment at these junctions is life-expired and will be replaced, however this work also entails material changes to the way the junctions will operate. These changes will be described and approval will be sought to carry them out.

The Executive Member is asked to approve the proposed changes to 4 traffic signal junctions.

Please note that Lendal Arch Gyrotory has been removed from the title, reducing the schemes from 4 to 3. The technical design for Lendal Arch Gyrotory is not complete and will be brought back to a later decision session.
