EXECUTIVE FORWARD PLAN

What is the Executive Forward Plan?

The Executive Forward Plan is a list of all non-key and key decisions the Authority intends to take during the next four month period. The Plan is updated weekly, every Monday and is available to view on-line at www.york.gov.uk

What is a non-key decision?

For the purposes of the Plan, a non-key decision is defined as a 'decision of normal importance' which:

- the Executive can collectively take as set out in Part 3 of the council's constitution
- which any Executive Member can take individually in line with the Council's Scheme of Delegation

What is a key decision?

A key decision is defined as a decision which is likely:

- to result in the Council incurring expenditure, or making savings, which are significant having regard to the Council's budget for the service or function to which the decision relates i.e.:
 - make a saving of more than 10% of the budget for a particular area - or be more than £500,000
 - require spending that is more than 10% of the budget for a particular area - or be more than £500,00
- to be significant in terms of its effects on communities

Such 'key decisions' can only be taken by the Executive, unless they have been **specifically** delegated to an Executive Member or Officer, or unless the Leader or Chief Executive is exercising their urgency powers.

What information does the Forward Plan contain?

In relation to each issue entered on the Forward Plan, there are details of:

- the date on which or time period within which the decision will be taken;
- the wards affected;
- how to make representations on the issue in hand; and
- what the consultation will be taking place, where applicable.

If I have a query about an entry on the Forward Plan, who do I contact?

Wherever possible, full contact details are listed in the individual entries in the Forward Plan. If you are unsure how to make contact or have any general enquiries about the Forward Plan, please ring Democratic Services on Tel No. 01904 551031

Meeting: Decision Session - Executive Member for Transport

Executive Member for Transport

Meeting Date: 22/06/20

Item Type: Executive Member Decision - of 'Normal' importance

Title of Report: The Groves Area Experimental Traffic Regulation Order

Description: Purpose of Report: To gain approval for the progression of the Groves Experimental Traffic Regulation Order (TRO) taking account of comments raised by the public where possible and in accordance with the Government's Guidance on the progression of schemes during the COVID 19 outbreak.

The Executive Member is asked to approve the progression of the experimental TRO

The Council aims to give the same 28 days clear notice of non key decisions as it does for key decisions, but in exceptional circumstances this may not be possible. In this case, following the recent Government's Emergency Active Travel Fund, the item is being considered as an urgent matter because a decision is required sooner than anticipated to allow The Groves' neighbourhood traffic reduction 18-month trial to move ahead more quickly.

Reason Key:

Making Representations: Please contact the report author for further details.

Process: Consultation on the principle of the scheme has been undertaken with local residents and the proposal amended where possible to address concerns. The Experimental TRO process enables the changes to be made on a non-permanent basis. The period prior to a decision on whether or not to make the restriction permanent acts as a consultation period.

FORWARD PLAN ITEM

Meeting: Executive

Meeting Date: 25/06/20

Item Type: Executive Decision - a 'Key Issue' - decision with significant effects on communities

Title of Report: City of York Council Recovery and Renewal Strategy

Description: Purpose of Report: To present the plan which provides an overarching guide to the approach City of York Council will take to shape the recovery and renewal in York over the next 12 months.

The Executive are asked to review and confirm they are happy with the approach and approve the strategy.

It has not been possible to give 28 clear days' notice of the intention to make the Key Decision. The reasons why compliance is impracticable in this matter is that the current unique circumstances and changing environment meant the specific nature of the report was not confirmed prior to the notice period. The report remains key in facilitating a decision on the council's plans for recovery from the coronavirus pandemic.

Meeting: Executive

Meeting Date: 25/06/20

Item Type: Executive Decision - of 'Normal' Importance

Title of Report: York Outer Ring Road - Procurement Strategy, Approach to Public Engagement and Landscaping

Description: Purpose of Report: Members previously gave approval to merge the proposals for the York Outer Ring Road junction and dualling improvements into a single programme ('the scheme') of planning and delivery. The report seeks three decisions to ensure that momentum is maintained throughout the remainder of the lockdown period, and that a rapid start up to development work on the scheme is in place to ensure that there is no pause due the Covid-19 virus.

Members are asked to consider the options outlined in the report.

The Council aims to give the same 28 days clear notice of non key decisions as it does for key decisions, but in exceptional circumstances this may not be possible. In this case, the item is being considered as an urgent matter to ensure that momentum is maintained throughout the remainder of the lockdown period, and that a rapid start up to development work on the scheme is in place to ensure that there is no pause due the Covid-19 virus.

Implications

Level of Risk: 04-08 Regular monitoring required **Reason Key:** It is significant in terms of its effect on communities

Making Representations:

Process: The service of an article 4 direction requires statutory consultation involving advertisement and consultation with affected parties including residents and the parish council. The production of a strategy would not be subject to statutory consultation as it is considered to be an internal document used to prioritise resources, but it is proposed that informal consultation be carried out with relevant bodies during production of the document.

Implications

Level of Risk:

Reason Key: A decision which is likely to result in the Council incurring expenditure, or making savings which are significant having regard to the Council's budget for the service or function to which the decision relates. The savings or expenditure are significant if they are equal to or greater than £500,000 or equal to or greater than £100,000 where the savings or expenditure exceeds 10% of the budget for the service plan area whichever is the less. Expenditure in excess of these levels will not

constitute a key decision if such expenditure is made as part of the implementation of a decision which itself was a key decision e.g. the award of a contract.

Making Representations:

Process: There has been extensive public engagement dating back to 2016 on the access route to York Central including a detailed Access consultation in 2017, the Festival of York Central on March-April 2018, detailed consultation throughout 2017-18 and a further public engagement in August 2018. The preparation of the Reserved Matters Application has been preceded by further public consultation and the consideration of that planning application has involved statutory consultation.

Title of Report: Street Works – Changing from noticing to a permitting scheme

Description: Purpose of Report: The aim of this report is to seek approval from the Executive to conduct a public consultation on proposals to introduce a permit scheme to govern all utility and highway works activities within the authority's highway network.

The consultation will take place in May to June 2020, with feedback received analysed in July-Aug 2020, and a report assessing options and making recommendations for a decision on the introduction of a permit scheme to be presented to the Executive Meeting or Full Council in September 2020.

If a decision is taken to move to a permit scheme, the Street Works team will then aim to implement this change by April 2021 at the latest.

Executive are asked to approve a public consultation exercise to take place between May and June 2020 to seek feedback from statutory consultees and other stakeholders on the proposals to introduce a permit scheme to govern all utility and highway works activities in York.

Implications

Level of Risk:

Reason Key: A decision which is likely to result in the Council incurring expenditure, or making savings which are significant having regard to the Council's budget for the service or function to which the decision relates. The savings or expenditure are significant if they are equal to or greater than £500,000 or equal to or greater than £100,000 where the savings or expenditure exceeds 10% of the budget for the service plan area whichever is the less. Expenditure in excess of these levels will not constitute a key decision if such expenditure is made as part of the

implementation of a decision which itself was a key decision e.g. the award of a contract.
