# EXECUTIVE FORWARD PLAN

## What is the Executive Forward Plan?

The Executive Forward Plan is a list of all non-key and key decisions the Authority intends to take during the next four month period. The Plan is updated weekly, every Monday and is available to view on-line at [www.york.gov.uk](http://www.york.gov.uk)

## What is a non-key decision?

For the purposes of the Plan, a non-key decision is defined as a 'decision of normal importance' which:

- the Executive can collectively take as set out in Part 3 of the council's constitution
- which any Executive Member can take individually in line with the Council's Scheme of Delegation

## What is a key decision?

A key decision is defined as a decision which is likely:

- to result in the Council incurring expenditure, or making savings, which are significant having regard to the Council's budget for the service or function to which the decision relates i.e.:
  - make a saving of more than 10% of the budget for a particular area - or be more than £500,000
  - require spending that is more than 10% of the budget for a particular area - or be more than £500,00
- to be significant in terms of its effects on communities

Such 'key decisions' can only be taken by the Executive, unless they have been **specifically** delegated to an Executive Member or Officer, or unless the Leader or Chief Executive is exercising their urgency powers.

---

## **What information does the Forward Plan contain?**

In relation to each issue entered on the Forward Plan, there are details of:

- the date on which or time period within which the decision will be taken;

**Title of Report:** Re-Procurement of Sexual Health and Contraception Services – Approval required to enter into interim service contract arrangements for up to 12 months.

**Description:** Purpose of Report: On 16 March 2023 Executive approved the negotiation, development and entering into of a Section 75 partnership agreement with York and Scarborough Hospitals NHS Trust (the “Trust”) from 1 July 2024 for the provision of Specialist Sexual Health Services (“SSHS”) across the city. Executive also granted related approvals regarding a SSHS Section 75 agreement.  
Since then, however, the complexity of the negotiations for this Section 75 arrangement, together with the challenging financial envelope available for the service, has led to delays in the process which means that the deadline of completion by 1 July 2024 is now considered highly unlikely.

**Deadline for Report:** 03/06/24

**Lead Member:** Executive Member for Health, Wellbeing and Adult Social Care

**Lead Director:** Director of Public Health

philippa.press@york.gov.uk

### Implications

**Level of Risk:**

**Reason Key:**

### Making Representations:

**Process:** A full procurement and consultation process has been held prior to going out to tender for the re-procurement of the sexual health service. This resulted in the only viable option to enter into a partnership agreement with the incumbent provider. As noted previously the complexity of the negotiations and the budget pressures have extended these discussions, in such that a completion is unlikely by 1 July 2024.

Once the service revisions have been made a further consultation will be held with key stakeholders and service users on the proposed changes.

The option to extend the current contract was presented to the Joint Management Board on 11 April 2024, which is attended by

all key stakeholders and this course of action was agreed.

Joint Management Board – includes CYC (Public Health, Legal, Procurement, Finance, York and Scarborough Hospital NHS Trust), NHS England, ICB, Nimbuscare Ltd.

Separate consultation and agreement to extend the contract has also been completed and agreed with the two organisations directly involved: York and Scarborough Hospital NHS Trust and Nimbuscare Ltd.

The original decision to re-procure the services was agreed by Executive on 16 March 2023, Health and Adult Social Care Policy and Scrutiny Committee, NHS Humber and North Yorkshire Integrated Care Board, Service users and other key stakeholders.

**Description:** Purpose of Report: As a provider of adult education in receipt of grant funding of over £1m we must write and publish an accountability statement to form part 2 of our funding agreement with the Skills Funding Agency. We have also been advised that to meet financial procedure rules we must also document approval to receive the recurring grant funding that will make up part 1 of the documentation. The statement is a mandatory part of the legislation linked to our current funding arrangements but must make clear reference to a document, written by West and North Yorkshire Chamber of commerce called the Learning Skills Improvement Plan (LSIP) and the key priorities of the council. This document is this year's version of a document approved for 2023-24 and our response is largely based upon the strategy for adult learning and skills engagement that we consulted on in July 2022 and just defines targets based on the LSIP and national skills requirements.

**Wards Affected:** Members will be asked: To approve the agreement to form part 2 of our annual funding contract with the Skills Funding Agency.
