Councillor Barratt reported that most of the trees from the Woodland Trust have been planted with canes and spirals to protect the saplings. The majority were planted at the rear of Willow Garth, approximately 15-30cm inside the boundary. Others have been planted in feature blocks within Willow Garth and the area around Hessay Pond, though not to obstruct access to the drainage ditches. Cllr Barratt had trimmed and cleared the area heavily in preparation and, owing to the Covid 19 pandemic restrictions, had marked the planting points with canes to enable the trees to be planted by residents observing social distance. It had been necessary to allocate time slots to individual family groups. It was noted that a good number of residents had participated in planting trees (new and old alike.) The cut and fallen branches from trees in the pond area have been moved into Willow Garth or incorporated into log piles in Willow garth.

(d) Allotments

No news on this subject.

(e) Thief Lane

Cllr Barratt will visit Thief Lane and report back on the fallen oak trees so as a decision can be made whether to replant or not.
