Dear Resident

Residents' Priority Parking Scheme (ResPark)

I am writing to inform you about the results of the consultation we undertook earlier this year for an extension of the Residents' Priority Parking Scheme on Broadway West.

The results were presented at a virtual Public Decision session on Monday 14th February 2022. Because Cllr Andy D'Agorne (Executive Member for Transport) declared an interest, Cllr Paula Widdowson (Executive Member for Environment and Climate Change) considered the report. The full report resident/officer comments and the decision notification can be viewed on the website.

<https://democracy.york.gov.uk/ieListDocuments.aspx?CId=738&MIId=12734>

The decision was taken to take forward a proposal to amend the Traffic Regulation Order to extend the R63 Residents Priority Parking Area to include properties No. 298, 300, 302, 304, 306, 308, 310, 312 and 314 Fulford Road.

In line with the decision taken, we are now advertising a proposal to introduce Resident Priority Parking for the above mentioned properties. Notices have been placed on street and the proposal will be published in the The Press.

I have attached a copy of the legal notice of proposals for your information with a plan for clarification. The scheme will be enforced by entry signage only. If you wish to make representation to the proposal, in support or objection, please write

with details, to the Director of Economy and Place at the West Offices address, or by email to highway.regulation@york.gov.uk by the 29th July 2022.

If no objections are received, we will implement the scheme as advertised. If objections are received, all representations to the proposal will be included within a report for the consideration of the Executive Member for Transport and Planning at a Public Decision Session.

Please email: highway.regulation@york.gov.uk if you require any additional information.

Yours faithfully

D. Hobson
