

Appendix 8

Appendix 8

Primary Barriers

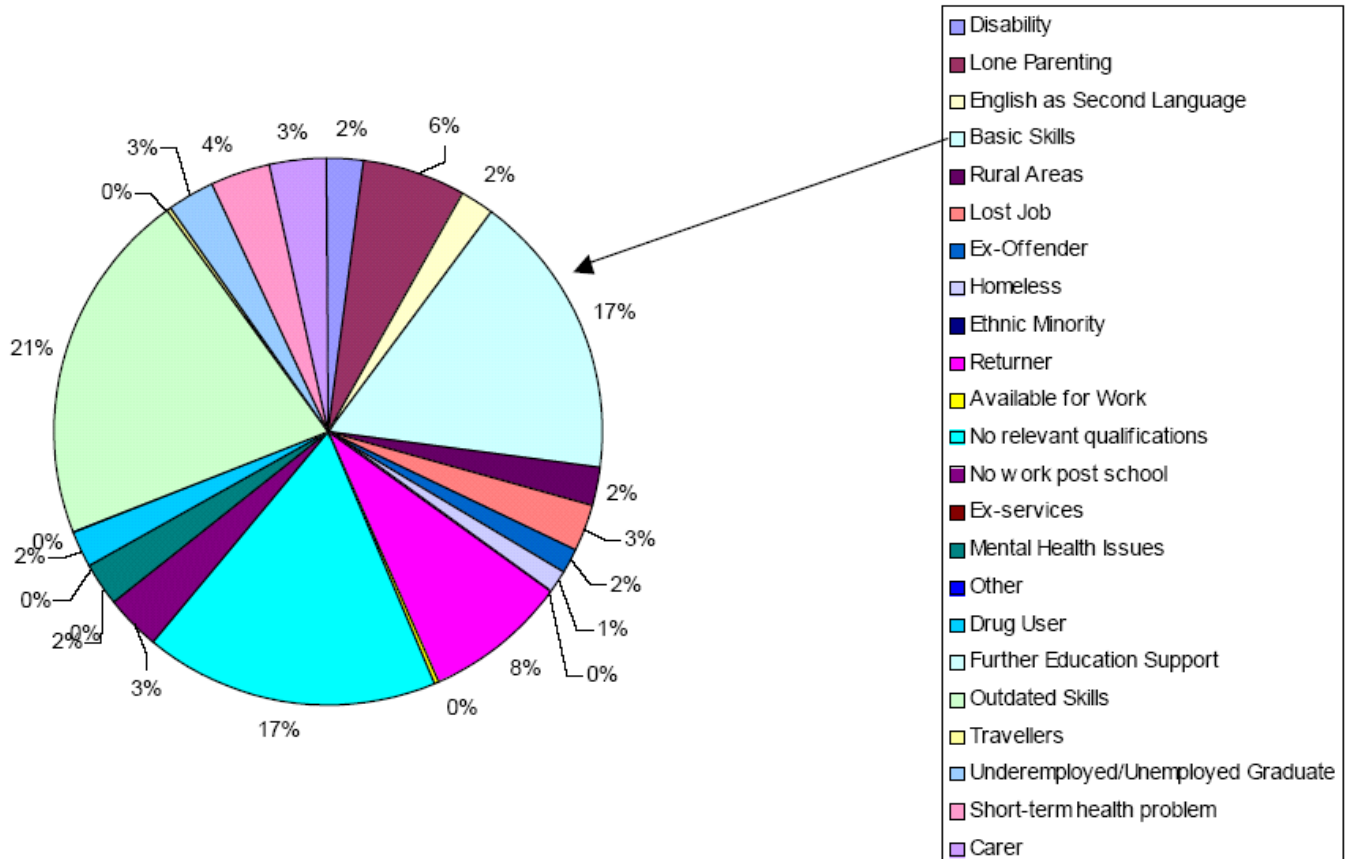

The chart indicates the range of barriers that clients face when looking at progressing into learning or work. 'Primary' indicates the main barrier that the individual experiences in relation to learning & work progression.

Secondary barriers

The chart below shows the secondary barriers faced by people. This is useful in reflecting the multiple issues that individuals have to deal with. Basic skills issues are often identified as a secondary barrier behind homelessness, offending history or disability issues.
