4. E-petition - Releasing Section 106 Funds to Osbaldwick Sports Club

Resolved: The Executive Member noted the contents of the report within the context of responding to queries that have been raised within the e-petition that was received.

Reason: To ensure that the Executive was made aware of the current position in respect of the queries raised within the received e-petition and the wider context to planning obligations.

5. Leveraging more retrofit investment into York

Resolved: That Option 1 set out in paragraph 27 of the report be approved, incorporating all four recommendations outlined in paragraph 14, to approve the proposed Statement of Intent for publication, support the creation of a partnership with Agility ECO.

Reason: This provides the most comprehensive response to the ambitions to improve the energy efficiency of homes in the city, which will maximise the reduction in carbon emissions and maximise the benefits for residents through warmer homes which are more energy efficient and more affordable to heat.
