

Decision Session - Executive Member for Transport and Planning

Wednesday, 7 December 2016

DECISIONS

Set out below is a summary of the decisions taken at the meeting of the Decision Session Executive Member for Transport and Planning held on Wednesday, 7 December 2016. The wording used does not necessarily reflect the actual wording that will appear in the minutes.

Members are reminded that, should they wish to call in a decision, notice must be given to Democratic Services no later than 4pm on the second working day after this meeting.

If you have any queries about any matters referred to in this decision sheet please contact Judith Betts.

4. Definitive Map Modification Order (DMMO) to add a footpath to the Definitive Map and Statement: Askham Fields Lane, Askham Bryan

Resolved: That Option A- that the Authority makes an order- be agreed.

Reason: The supporting evidence meets the threshold criteria of 'reasonably alleged'.

5. BT Public Payphone Removal Consultation

Resolved: (i) To follow the recommendations to object or not object on each individual payphone as listed in Annex A, other than for the following application where it has been resolved to object;

16/02145/TCNOT – Outside Ryedale Court, The Village, Haxby.

(ii) If the local Consultation has identified a desire from the relevant Parish Council or other body to adopt a PCB (Public Call Box) for other uses, that BT be notified of this desire to adopt.

(iii) If new objections are received during the 2nd stage of the notification/consultation process to the removal of a PCB (Public Call Box) where the resolution was for there to be No objections, the Assistant Director of Planning and Public Protection be delegated to formally object to B.T in order to comply with the agreed timescale of the formal consultation process.

(iv) That these new objections then be considered by the Executive Member for Transport and Planning at the next available Executive Member Decision Session.

Reason: To comply with Ofcom procedural and timescale guidelines on such applications.
