EXECUTIVE FORWARD PLAN

What is the Executive Forward Plan?

The Executive Forward Plan is a list of all non-key and key decisions the Authority intends to take during the next four month period. The Plan is updated weekly, every Monday and is available to view on-line at www.york.gov.uk

What is a non-key decision?

For the purposes of the Plan, a non-key decision is defined as a 'decision of normal importance' which:

- the Executive can collectively take as set out in Part 3 of the council's constitution
- which any Executive Member can take individually in line with the Council's Scheme of Delegation

What is a key decision?

A key decision is defined as a decision which is likely:

- to result in the Council incurring expenditure, or making savings, which are significant having regard to the Council's budget for the service or function to which the decision relates i.e.:
 - make a saving of more than 10% of the budget for a particular area - or be more than £500,000
 - require spending that is more than 10% of the budget for a particular area - or be more than £500,00
- to be significant in terms of its effects on communities

Such 'key decisions' can only be taken by the Executive, unless they have been **specifically** delegated to an Executive Member or Officer, or unless the Leader or Chief Executive is exercising their urgency powers.

What information does the Forward Plan contain?

In relation to each issue entered on the Forward Plan, there are details of:

- the date on which or time period within which the decision will be taken;
- the wards affected;
- how to make representations on the issue in hand; and
- what the consultation will be taking place, where applicable.

If I have a query about an entry on the Forward Plan, who do I contact ?

Wherever possible, full contact details are listed in the individual entries in the Forward Plan. If you are unsure how to make contact or have any general enquiries about the Forward Plan, please ring Democratic Services on Tel No. 01904 551031

Meeting: Executive

Meeting Date: 25/01/18

Item Type: Executive Decision - of 'Normal' Importance

Title of Report: Developing a pathway for Mental Health housing and support in York, with fit for purpose accommodation.

Description: Purpose of Report: To advise Members of a significant multi-agency project that is gearing up to improve the range of Mental Health housing and support available in the city, a priority area highlighted within both the Health & Wellbeing and Mental Health strategies.

A workshop was held in Sept 2017 attended by over 70 delegates from health, social care, community safety, and the voluntary and community sector and the feedback received has helped focus the project team's next steps.

The report will provide the background and case for change, and will outline three key areas for development where further work needs to be done. It will forewarn that some whole system investment, is likely to be required or, at the very least, a redistribution of resources across the 'whole system', to deliver the required pathway and will recommend that the Executive accept a further, more detailed report in early summer 2018.

Please note – this will be a joint report, owned by City of York Council, Tees, Esk & Wear Valley NHS Foundation Trust, and the Vale of York Clinical Commissioning Group. The same report (or a very similar version) will also be taken to the Health & Wellbeing Board on 24 Jan 2018, and the Mental Health Partnership (date tbc).

Members are asked to note the background and case for change for this project, and to agree to receive a further report in the early summer which will include a detailed, costed options appraisal of the main areas for development to emerge from the multi-agency workshop event held on 29 September 2017.

Reason for withdrawal: To allow for further discussion between all organisations and stakeholders. A report will now follow in early summer 2018.

Work is also underway to ensure that service users and carers are involved and, able to influence, the work moving forward.

FORWARD PLAN ITEM

Meeting: Executive

Meeting Date: 25/01/18

Item Type: Executive Decision - of 'Normal' Importance

Title of Report: Report on full Council motion on homelessness

Description: Purpose of Report: Homelessness in York

(proposed by Cllr Craghill, seconded by Cllr Kramm)

“Council is appalled by the growing homeless crisis nationally and here in York and notes with regret the following:

- The recent sudden death on the streets of York of one of our long term rough sleepers;
- A report published in August this year by ‘Crisis’, the national charity for homeless people, which shows that almost a quarter of a million people are experiencing the worst forms of homelessness across Britain, with rough sleeping set to rise by 76% in the next 10 years unless policies are changed;
- The fact that the official number of street homeless in York rose from 2 in Nov. 2011 to 18 in 2015 and has stayed at that level for the last two years;
- The lack of sufficient temporary accommodation in York and the lack of sufficient affordable one bedroom homes for people to move into.

Council acknowledges the achievement of the Council’s Housing Options team in being awarded a ‘Gold Award’ for their work and the large number of people inside and outside the Council in the voluntary and community sector striving to support people who are homeless.

However, Council is concerned that clearly something isn’t working and more needs to be done. Council therefore resolves to call for an urgent report to Executive to consider options on the following:

- Immediate measures to provide additional temporary accommodation and avoid if at all possible any further deaths on our streets this winter;
- Any further measures that can be actioned in a short/medium timescale to prevent this crisis from spiralling out of control in York. These might include an extension of the Housing First model; the provision of daytime facilities in the city centre to improve the health of people who find themselves on the streets;

and the options for closer working with partners across the region to improve outcomes for homeless people.

- Plans for engagement with people living on the streets, in temporary accommodation and other homeless people to learn from their views and ideas.”

Members are asked to consider the current position, what the service is now and look at what further options there are to tackle the issue of rough sleeping
