64. Appointment of Assistant Director - Children's Specialist Services

Members considered a report that proposed to permanently recruit an Assistant Director of Children's Specialist Services in the Directorate of Children, Education and Communities.

The Corporate Director of Children's Education and Communities presented the report and confirmed that the current appointment to this post was made on an interim basis which had provided an opportunity to review the role and consider portfolio options for the Assistant Director of Education and Skills and the Assistant Director of Children's Specialist Services. Following significant service changes within the directorate over the last 12 months, Members were informed of the areas of responsibility and accountability that had been reviewed to strengthen the management arrangements for the directorate.

Members were asked to formally approve the establishment of an Appointments Sub Committee for the Chief Officer Appointment and to delegate sufficient powers to that Sub-Committee to enable them to conduct the recruitment process, select and appoint a candidate.

Resolved:

- (i) That the recruitment to the role of Assistant Director Children's Specialist Services Chief Officer grade 10 £68,744.00 to £76,374.00 be approved.
- (ii) That the advertising of this opportunity externally be approved.
- (iii) That the establishment of the Appointments Committee and the committee be authorised to conduct the interview, and select a successful candidate and make an offer of interim employment, subject to the necessary employment procedures and standing orders, be approved.

Reason: To progress the appointment and reduce risks highlighted in the report in relation to this critical role required to deliver the Council's statutory responsibilities.

65. Recruitment & Retention Challenges - Children's Social Workers

Members considered a report that asked them to extend the pilot scheme that was approved in July 2017 at a Staffing Matters and Urgency Committee for the payment of 'golden hellos' and 'golden handcuffs' to social workers in the Referral & Assessment team in Children's Services.

Officers confirmed the pilot scheme had proved to be successful and that the Referral & Assessment teams vacant posts were now filled by permanent staff.

The Corporate Director of Children's Education and Communities presented the report and he explained why the pilot scheme approach could also benefit the staffing issues arising in the Safeguarding Social Work Teams 1 & 2 (Court/Child Protection teams). He highlighted the number of vacant posts in this area, the recruitment campaign associated with attracting the candidates to the vacancies and the cost of providing short term cover through agency workers, which should reduce the significant financial pressure for the service if the pilot scheme was extended.

Members noted that a report would be provided to the Staffing Matters & Urgency Committee in July 2018 highlighting the impact of the enhanced payment to the Referral & Assessment team and should the pilot scheme be extended, an interim analysis of the impact of the enhanced payment for the Safeguarding Social Work teams could be reported at the same time.

Members agreed it was important to create some level of stability amongst staff for the client group and in answer to their questions it was noted that should the pilot scheme prove to be successful again this model may be used more widely through the directorate.

Resolved: That the payment of 'golden hellos and golden handcuffs' to social workers in the Safeguarding Social Work Court/Child Protection teams in Children Services for a 12 month pilot period, be agreed.

Reason: To support the recruitment and retention of social work staff to stabilise these two Safeguarding Team.
