

Focus on Experience

The Stockton Flyer

**A city for both
locals and
visitors**

Altrincham indoor market

Norwich tunnel of light

Public Realm Birmingham

Infrastructure for
business growth

**Long term economic
masterplan for the city
centre**

A city centre great
for all ages to live,
work and play

A green city that rises to
the challenge of
technological change

Agile decision
making bodies

A focus on
community

Priorities from a BID perspective

Plan for large vacant units/ absent landlords

Improved car parking technology / cycle lanes / public transport

Care over appearance

Prepare for how retail will look in 10-15 years (AI & new tech)

Plan to improve footstreets (including clarity on enforcement)

Help businesses to be found
