### LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

The licensee will ensure that during all licensable times, there are sufficient and competent staff on duty in order to fulfill the terms & conditions of our license and promote all four licensing objectives. All staff will be regularly trained in relation to their responsibilities regarding the sale of alcohol. Training & refresher training records will be held and maintained on the premises. Please see below the measures we intend to put in place to ensure we are fulfilling our licensing objectives at all times:

b) The prevention of crime and disorder

1. We will install comprehensive CCTV at the premises which will cover all entrance and exits both inside and outside. We will also have CCTV covering the car park and public areas. CCTV will be operated and maintained at the premises. Any incidents of a criminal nature will be reported to the police.
2. A colour digital CCTV system shall be installed within the premises and be operational and recording at all times when licensable activities take place and at any other times where members of the public are present on the premises, it will include all areas (including outside areas), where the public have access to consume alcohol.
3. Copies of recordings will display the correct date and time.
4. The CCTV system must be capable of providing quality images of good evidential value. The CCTV system will have sufficient storage retention capacity for a minimum of 28 days consecutive footage.
5. North Yorkshire Police or a Responsible Authority (as defined in the Licensing Act 2003) may at any time request a recording. This should be complied with within 24 hours of the request being made.
6. It is the responsibility of the management to ensure that there are sufficient members of staff available during the hours of operation to be able to download evidence from the CCTV system at the request of the police or responsible authority.
7. The premises shall operate the Challenge 25 policy for the sale of alcohol. The only acceptable proof of age identification shall be a current passport, Photo card Driving Licence or identification carrying the PASS logo (until other Effective identification technology e.g. thumb print or pupil recognition, is adopted by the Premises Licence Holder).
8. A documented staff training programme shall be provided to all members of staff at the premises in respect of the:-
  - a. operation of the CCTV system (including the downloading of evidence);
  - b. retail sale of alcohol;
  - c. age verification policy;
  - d. conditions attached to the Premises Licence;
  - e. permitted licensable activities;
  - f. the licensing objectives; and
  - g. opening times for the venue.

with such records being kept for a minimum of one year. For the avoidance of doubt, the one year period relates to each

**Continued from previous page...**

respective entry in the log book and runs from the date of that particular entry.

**c) Public safety**

Fire safety procedures are in place such as fire extinguishers, fire blankets, internal illuminated fire exit signs, emergency lighting and smoke detectors. Fire exits shall be kept clear at all times. Fire systems and appliances will be inspected annually. All of our staff will be fire trained & aware of what to do in case of a fire. Training & refresher training records will be held and maintained on the premises.

Our outside areas, front & back entrances will be well lit with plenty of litter bins and clear walkways.

We will maintain good relationships with our local taxi & bus firms in order to ensure our customers always have a safe method of travel home, displaying a range of local transport information on the premises.

We will participate in anti-violence & abuse schemes such as "ask for Angela".

We will display notices regarding the use of illegal substances or weapons, stating that offenses shall be reported to the police.

**d) The prevention of public nuisance**

Notices will be clearly displayed in the premises reminding guests & customers to have regard for our neighbours and leave the premises quietly. All customers & guests will be reminded of said notice when they leave.

We will ensure that all doors and windows in the premises are closed in the later evenings to minimise sound traveling and disturbance to our neighbours.

As stated in section C, we will maintain good relationships with local transport firms to ensure our guests leave the property safely & quietly from the front, main road exits, again to minimise vehicular movements around the rear of the building.

We will employ SIA regulated door staff if we are to hold any events to ensure any issues are dealt with quickly and professionally, they will also remind guests to leave the premises quietly.

In the case of any events at the premises, we will monitor our time keeping carefully to ensure we are compliant with our premises license.

We will carefully manage the arrangements for the collection and disposal of waste and empty bottles.

**e) The protection of children from harm**

All children will be required to be accompanied by an adult and we will have a clear notice displayed explaining the rules regarding this.

**NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK**

*Continued from previous page...*

### **Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:**

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

### **Documents which demonstrate entitlement to work in the UK**

- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

*Continued from previous page...*

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
  - evidence of the applicant's own identity – such as a passport,

  - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
    - (i) working e.g. employment contract, wage slips, letter from the employer,
    - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
    - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
    - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHC card or an S1, S2 or S3 form.

**Original documents must not be sent to licensing authorities.** If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

**Continued from previous page...**

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

#### **Home Office online right to work checking service**

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
