## M

Describe the steps you intend to take to promote the four licensing objectives:

**a) General – all four licensing objectives (b, c, d, e) (please read guidance note 10)**

Will be an inclusive 'food & drink' venue so drinking is an add-on, rather than core activity.  
The below measures will be implemented - all staff will require adequate training to ensure licence objectives are met.

**b) The prevention of crime and disorder**

Training given to staff in crime prevention + drug awareness measures  
Plenty of seating to limit vertical drinking  
Agree measures with the police to reduce crime + disorder  
Do not serve anyone who appears drunk or under age.  
Effective CCTV

**c) Public safety**

Reason of CCTV  
Fire evacuation procedures in place  
Free availability of water  
Premises supervised to be adequately trained in Health + Safety (and compliance)

**d) The prevention of public nuisance**

Adequate procedures in place regarding noise/litter during hours  
not to adversely affect residents - litter picking  
wind down period at close of play - reducing noise  
No bin (lights) after 9pm on an air.  
External doors to be shut especially when entertainment is showing  
Measures to ensure customers leave quietly

**e) The protection of children from harm**

Limit hours children can be present, or ensure they are accompanied by an adult  
Challenge 21 - suitable proof of age policy in place, only accepting ID with photo tags  
Licensing staff are vigilant + aware of potential risks to children  
Licensing children are in sight + care of their parent.

14. This is the address which we shall use to correspond with you about this application.
- 15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:**

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

They do this in one of two ways:

- 1) by providing with this application copies or scanned copies of the documents which an applicant has provided, to demonstrate their entitlement to work in the UK (which do not need to be certified) as per information published on gov.uk and in guidance.
- 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

#### **Home Office online right to work checking service**

As an alternative to providing a copy of original documents, stated above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth, will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be shared digitally. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

**Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.**
