## Action Programme July 2010 – June 2011 – Update October 2010

Theme	Action	Activity	Lead	Other	Progress	Mitigating Action
			Partner	Partners		
Safer	Reduce	Increase	Capable	Wardens	An additional patrol has been	
	ASB	Police	Guardian	Youth	implemented on Friday and Saturday	
		patrols at weekends	task	Service XX	nights	
		weekends	group	Community	Police in vehicles are driving into the area en route to or from the station	
				Centre	providing additional presence.	
				Fire and	Wardens in attendance Friday nights	
				Rescue		
					ASB activity reducing but problems now	Capable Guardian task group
					arising outside xx shops	to assess whether to divert
						resources. Local Community Centre very
						active Youth Service to
						approach re possible provision
						of diversionary activities
						Fire and Rescue
						representatives to promote
						responsible behaviour during next school visits.
	NMO to					HEXT SCHOOL VISITS.
	establish				Bids submitted for Target Hardening	
	potential				and Community Pride Challenge Fund	
	funding				, ,	

Annex One (C)

	I	I	1	1		Annex one (o)
Inclusive  Links to Safer	Increase Activity for young people	Provide outreach 2x weekly	Youth Service		Outreach in place Feb 22 <sup>nd</sup> 2010.	
		Provide additional sessions	Youth Service	Xx Community centre.	Insufficient funding for additional sessions but volunteer residents available to assist if funding can be secured.	Youth workers to promote partner priorities such as smoking cessation using Partners financial resources to fund additional sessions.  Refer to Safer York Partnership
Health	Smoking cessation	Provide classes/sup port at times appropriate to resident need.	PCT	Chemist Community Centres Housing Voluntary Orgs	Chemists now offering advice.	Expand number of Chemists involved consider dental surgeries also.
					Staff resources to deliver weekend and evening smoking cessation classes unavailable.	Train local volunteers to deliver sessions. Utilise community centres.

The Action programme excerpt above demonstrates the increased efficiency and added value in the ward created by using mainstream activity and resources more effectively. In wards where initiatives such as capable guardian are being delivered, their activities could be included as a contribution to the Action Programme
