What is the Cabinet Forward Plan?

The Cabinet Forward Plan is a list of all non-key and key decisions the Authority intends to take during the next four month period. The Plan is updated monthly on or around the 14th of each month and is available to view on-line at www.york.gov.uk

What is a non-key decision?

For the purposes of the Plan, a non-key decision is defined as a 'decision of normal importance' which:

- the Cabinet can collectively take as set out in Part 3 of the council's constitution
- which any Cabinet Member can take individually in line with the Council's Scheme of Delegation

What is a key decision?

A key decision is defined as a decision which is likely:

- to result in the Council incurring expenditure, or making savings, which are significant having regard to the Council's budget for the service or function to which the decision relates i.e.:
 - make a saving of more than 10% of the budget for a particular area - or be more than £500,000
 - require spending that is more than 10% of the budget for a particular area - or be more than £500,00
- to be significant in terms of its effects on communities

In addition to elected Councillors, chief officers can also take key decisions in line with the Officers Delegation Scheme as set out in Schedule 3, Part 3 of the Council's Constitution

What information does the Forward Plan contain?

Each issue entered in the Forward Plan lists:

- The history of the issue in relation to the Forward Plan
- What consultation will be undertaken prior to a decision being made
- The name and contact details of the chief officer responsible for the issue and the forthcoming report
- The date of the meeting at which a decision is due to be taken
- The wards which will be affected by any decision taken

If I have a query about an entry on the Forward Plan, who do I contact ?

Wherever possible, full contact details are listed in the individual entries in the Forward Plan. If you are unsure how to make contact or have any general enquiries about the Forward Plan, please ring Democratic Services on Tel No. 01904 551031

Title of Report: Local Bus Service Updates

Description: Purpose of the report: This report will seek approval for Bus Service Improve Plan (BSIP) expenditure to extend support for some early morning and evening bus until 30/4/24. This will enable the current arrangements to continue whilst the findings from an ongoing Bus Network Review are analysed. Findings and recommendations from the Bus Network Review are planned to be presented to CYC Executive and the Enhanced Bus Partnership in January 2024 for implementation in May '24.

The Executive Member will be asked: To note and approve plans to extend to 30th April 2024 some existing tendered bus service contracts for early morning and evening bus services at a total estimated cost of up to £53,000.

The rationale for the extension is to enable the outputs of the York Bus Network Review to be thoroughly considered and discussed with stakeholders, with a view to bringing recommendations for longer-term, better value, and, hopefully, a more stable bus network to the Executive and York Enhanced Bus Partnership in January 2024, for implementation in May 2024.

The Council aims to give the same 28 days' clear notice of non-key decisions as it does for key decisions, but in exceptional circumstances this may not be possible. It has not been possible to give 28 clear days' notice of the intention to make this decision due to an administrative error.

Title of Report: Specialist Mental Health Housing and Support

Description: Purpose of Report: There is a widely accepted shortage of the right type of accommodation and support to meet the needs of people in York with mental ill-health. The deficit of specialist housing and support options for people with multiple and complex needs, particularly around mental health, and substance use disorder, was identified as a priority in an in-depth piece of co-production on the entire housing pathway. The resultant programme of work focuses on enabling people with complex mental health needs, including those with associated substance use disorder and behavioural difficulties, to access the right type of housing, with the right level of support, at the right time to meet their needs. This paper seeks approval for a change in delivery methodology for this programme of work.

On 22nd August 2020, the Executive approved plans to deliver 53 new specialist mental health housing and support places through the development of hub and spoke model.

On 15th July 2021 CYC and Vale of York Clinical Commissioning Group (now NHS Humber and North Yorkshire Integrated Care Board ("ICB")) completed a Section 75 partnership agreement in relation to Mental Health Housing and Support (the "Section 75 Agreement"). This covers partnership arrangements agreed between CYC and the ICB for 10-years, from 2021 – 2031. It was based on the previously tendered service arrangements that unfortunately did not result in a contract award. The proposed arrangements in this report therefore deviate from what is currently within the Section 75 Agreement. Any modifications/variations to the existing Section 75 Agreement (or replacement) would need to be in place prior to commencement of any new proposals. Any arrangements with other stakeholders such as Tees, Esk and Wear Valleys NHS Foundation Trust ("TEWV") would also need agreeing and documenting also.

A decision is needed to enable us to amend the original plan and to seek to alter the ICB Section 75 Agreement arrangements and explore alternative delivery options through adopting a phased approach of delivery for the wider programme, which includes a 12-month pilot of 7-units at 92 Holgate Road which will commence in January 2024.

The Executive will be asked to agree the following

recommendations:

- I. To adopt a phased approach of delivery for the wider programme which significantly includes a 7-unit pilot at 92 Holgate Road for 12-months.

- II. To enter a service contract with mental health support services provider (the “Provider”) for a Term of 12-months for provision by the Provider from 92 Holgate Road of a 7-unit mental health support service (the “Service Contract”).

- III. To grant a lease of 92 Holgate Road to the Provider for a Term of 12-months (the “Lease”).

- IV. To amend the existing Section 75 Agreement with the ICB to address changes to the long-term intentions of the Mental Health Housing and Support project and the funding requirements for the 12-month pilot at 92 Holgate Road.

- V. To delegate authority to the Corporate Director of Adult Services and Integration (“DASS”) (and their delegated officers), in consultation with the Director of Governance (and their delegated officers), to:
 - i. negotiate the provisions, and conclude the entry into, of the Service Contract and the Lease;
 - ii. negotiate and approve any required amendments to the existing Section 75 Agreement and arrangements with the ICB on the Council’s behalf; and
 - iii. negotiate and agree any arrangements and agreements with TEWV, ICB or other stakeholders as may be required including (but not limited to) any alternatives or replacements to the existing ICB Section 75 Agreement if necessary.
