

The 'Better Decision Making' tool should be completed when proposing new projects, services, policies or strategies.

This integrated impact assessment tool was designed to help you to consider the impact of your proposal on social, economic and environmental sustainability, and equalities and human rights. The tool draws upon the priorities set out in our Council Plan and will help us to provide inclusive and discrimination-free services. The purpose of this new tool is to ensure that the impacts of every proposal are carefully considered and balanced and that decisions are based on evidence.

Part 1 of this form should be completed as soon as you have identified a potential area for change and when you are just beginning to develop a proposal. If you are following the All About Projects Framework it should be completed before going through Gateway 3.

Part 2 of this form should be filled in once you have completed your proposal and prior to being submitted for consideration by the Executive. If you are following the All About Projects Framework it should be completed before going through Gateway 4. Your answer to questions 1.4 in the improvements section must be reported in any papers going to the Executive and the full 'Better Decision Making' tool should be attached as an annex.

Guidance to help you complete the assessment can be obtained by hovering over the relevant text or by following this link to the 'Better Decision Making' tool on Colin.

Guidance on completing this assessment is available by hovering over the text boxes.

Please complete all fields (and expand if necessary).

Part 1

Section 5: Developing Understanding

Based on the information you have just identified, please consider how the impacts of your proposal could be improved upon, in order to balance social, environmental, economic, and equalities concerns, and minimise any negative implications.

It is not expected that you will have all of the answers at this point, but the responses you give here should form the basis of further investigation and encourage you to make changes to your proposal. Such changes are to be reported in the final section.

Taking into consideration your responses about <u>all of the impacts</u> of the project in its <u>current form</u>, what would you consider the overall impact to be on creating a fair, healthy, sustainable and resilient city?	
5.1	Given the wide range of policy areas covered by the Neighbourhood Plan and its over all vision which responds to the issues, opportunities and challenges facing the area it is considered that the plan will have a positive impact overall on creating a fair, healthy, sustainable and resilient neighbourhood.

What could be changed to improve the impact of the proposal on the <u>One Planet principles</u>? (please consider the questions you marked either mixed or negative, as well as any additional positive impacts that may be achievable)	
5.2	The requirement for car parking places which is included in the policies for busienss and housing development could be deemed as negative for the environemnt, however, they will have a positive impact on residents and workers amenity as it will mean less on street parking. The Plan also supports cycling and pedestrian provision so it balances out.

What could be changed to improve the impact of the proposal on <u>equalities and human rights</u>? (please consider the questions you marked either mixed or negative, as well as any additional positive impacts that may be achievable)	
5.3	No mixed or negative impacts on equality and human rights are considered likely.

Section 6: Planning for Improvement

What further evidence or consultation is needed to fully understand its impact? (e.g. consultation with specific communities of identity, additional data)	
6.1	The community has been widely consulted on the content of the Plan. Members are being asked to agree the Examiner's recommednations which include progressing the Plan to referendum. Therefore, the community will have the final say when they vote in teh referendum whether or not to agree with the final Plan.

6.2	What are the outstanding actions needed to maximise benefits or minimise negative impacts in relation to this proposal? Please include the action, the person(s) responsible and the date it will be completed (expand / insert more rows if needed)

Part 2

Section 1: Improvements

Part 2 builds on the impacts you identified in Part 1. Please detail how you have used this information to make improvements to your final proposal.

Please note that your response to question 1.4 in this section must be reported in the One Planet Council implications section of reports going to the Executive.

1.1	<p>For the areas in the 'One Planet' and 'Equalities' sections, where you were unsure of the potential impact, what have you done to clarify your understanding?</p> <p>Given the wide ranging policy areas covered in the plan and the process taken so far in preparing the plan there are inherent links and good understanding of the one planet principles and equalities.</p>
1.2	<p>What changes have you made to your proposal to increase positive impacts?</p> <p>No changes considered necessary.</p>
1.3	<p>What changes have you made to your proposal to reduce negative impacts?</p> <p>No negative impacts anticipated.</p>
1.4	<p>Taking into consideration everything you know about the proposal in its revised form, what would you consider the overall impact to be on creating a fair, healthy, sustainable and resilient city?</p> <p>Your response to this question must be input under the One Planet Council implications section of the Executive report. Please feel free to supplement this with any additional information gathered in the tool.</p> <p>Given the wide range of policy areas covered by the Neighbourhood Plan and its over all vision which responds to the issues, opportunities and challenges facing the neighbourhood it is considered that the plan will have a positive impact overall on creating a fair, healthy, sustainable and resilient neighbourhood.</p>
1.5	<p>Any further comments?</p>
