<p>N1</p>	<p>Location Outside 41 York Street, Dunnington (raised by one resident)</p>												
<p>Nature of problem and requested solution Parked vehicles obscuring visibility when exiting private driveway onto York Street.</p>													
<p>Background information This property has a shared access (approx 7.5m wide) with 41A York Street. Parked vehicles would obstruct visibility, but we do not consider placing waiting restrictions for the protection of a private entrance. Residents can apply for a white keep clear bar marking which extends across dropped kerb area + approximately 1m either side. There is a cost to the resident for this service, currently £122. We have not witnessed any parking within 20m of the driveway. This suggests this is an intermittent problem occurring at busy times at the nearby retail outlets. There is a bus stop to the south of the entrance at the boundary of 41A/43 York Street.</p>													
<p>Recommendation</p> <p>Implementing a 26m bus clearway to the south and across the entrance (there is an existing one on the north carriageway). This would improve sight lines to the south and extend beyond the driveway entrance by 3 to 4m. This would be of benefit to the bus service and bus drivers to approach and park close to the kerb for the benefit of passengers.</p> <div data-bbox="526 1220 1356 1668" data-label="Image"> </div> <table border="1" data-bbox="526 1668 1356 1792"> <tr> <td data-bbox="526 1668 718 1792"> </td> <td data-bbox="718 1668 1149 1792"> <p>41 York Street, Dunnington</p> </td> <td data-bbox="1149 1668 1356 1702"> <p>SCALE 1:500</p> </td> </tr> <tr> <td colspan="2" data-bbox="526 1702 1149 1736"> <p>* Down copyright.
