Working with the people of Acomb

A part of our programme to deliver advice in **16 communities** across the city.

We help people to resolve issues with **benefits, debt, housing, relationships, employment** and more.

We want people to be able to access their rights, with **no barriers or discrimination**.

We're working with Acomb Ward to reach and involve the local community.

Where to find us

A trained and experienced adviser is available every Wednesday morning.

We're there to **engage in conversation** with local people about the issues they're facing.

Where they need advice, we'll **work with people** there to start resolving any problems they have.

We're also working with local groups to build awareness of the sessions, and to **involve more local people** in the community café.

Citizens Advice York

Got a problem? We can help

**FREE
Advice Drop-in**

**Lidgett Grove Methodist Church
60 Wheatlands Grove, YO26 5NH**

**Starting
9th
May!**
