12. Public Participation

It was reported that there had been no registrations to speak at the meeting under the Council's Public Participation Scheme.

13. Approval of Financial Inclusion Innovation Fund Awards

The Executive Member considered a report that sought approval of the recommended award of £100,000 of grants to fund six projects to deliver financial inclusion activities in the city. The approval of the grants for the schemes followed a round of competitive bids and a selection panel process.

The Assistant Director Customer and Digital Services and the Strategic Manager Corporate Strategy and City Partnerships were in attendance to present the report. The Assistant Director Customer and Digital gave an overview of the report.

In response to questions raised by the Executive Member and Executive Member for Housing and Safer Communities, Officers confirmed that:

- The themes outlined in paragraphs 3 – 6 of the report would be included as an addendum to future reports
- In relation to the award of 50% funding for two bids, feedback on the outcome of the bids would be communicated to all bidders.
- The council was waiting for further information on the £10million fund to help people in receipt of universal credit to move away from it. This could be explored with York CVS and discussions with the Joseph Rowntree Foundation on this were already taking place.
- In order to continue to get the level of innovation, there was the challenge long term in terms of the mainstreaming of CAY funding. There would be a review on the outcomes of the exercise and the council would like to work with more partners.

The Executive Member then;

Resolved: That approval be given to the award of £100,000 of grants to fund the following six projects to deliver financial inclusion activities in the city:
