1. Introduction

Foreword by the Chair of SACRE

The 2021-22 academic year has provided members of York SACRE with opportunities for learning and development. A feature of the year has been to be able to hold face to face meetings at two of the city's schools, giving non-teaching members a chance to experience the environment in which RE is taught. During these meetings, we have had presentations from teacher representatives, from the humanist member of SACRE, and from a Buddhist representative, who we expect to be joining SACRE as a member of Group A in 2022-23.

In the year, the number serving teachers who are members of SACRE increased, adding an important direct link to the work that we are developing to improve the monitoring of the quality of RE in York.

During 2021-22, a new Agreed Syllabus was prepared and presented to schools; teachers have welcomed the new Syllabus and have also made many positive comments about the supporting materials provided by RE Today. Some changes to the schools survey this year are being used to update and improve the priorities for further professional development for RE teachers as part of the SACRE Development Plan for 2022-24.

Besides being a learning and development year for York's SACRE, 2021-22 also saw a review of the Council's constitution, and SACRE's place as a statutory body was clearly articulated within this. York SACRE's terms of reference were refreshed and revised with support from the Council's democratic services team. This process has clarified chairing responsibilities for SACRE, allocating this to the Executive member for Children's Services and Education. Following a change in Executive member appointments in May 2022, SACRE welcomed Cllr Andrew Waller as the new Chair of SACRE.

To function effectively, SACRE relies on the contributions of individual members and the supporting work done by our officers; I want to thank all concerned for helping to make this year successful. I have enjoyed my time as Chair of York's SACRE and hope to remain an active and committed member of this body.

2. RE (statutory responsibilities)

Locally agreed syllabus

There are 19 primary, 2 secondary and 1 special maintained schools who follow the City of York Locally Agreed Syllabus

There are 25 primary, 4 secondary and 1 special academies who have adopted the City of York Locally Agreed Syllabus

Separate regulations covering maintained special schools require them to ensure that as far as practicable every pupil receives opportunities to explore RE. The City of York Agreed

Syllabus 2021-2026 includes specific guidance and support for Special Schools. Special Schools use the City of York Locally Agreed Syllabus, at least partially, and adapt it to meet the needs of the pupils.

Standards and monitoring of RE

Due to the impact of the ongoing Covid-19 pandemic, City of York SACRE has been limited in its ability to actively monitor standards in RE across the York schools. There were 6 inspections of York Schools between September 2021 and July 2022. Five primary schools were inspected and one secondary school. The Ofsted reports for 5 out of the 6 schools make no direct reference to Religious Education. York SACRE has considered how it can develop its monitoring of standards in R.E. in the future as the monitoring of R.E. through Ofsted reports is not providing detailed information about the quality of R.E.

In 2022 national exams returned for the first time since 2019. Validated data is currently unavailable but will be presented to SACRE in January 2023.

City of York SACRE developed and approved a monitoring questionnaire in the academic year 2020-21 and this was circulated to schools in September 2021. In 2021 responses were received from a limited number of schools and SACRE has considered how the questionnaire can be further developed in 2022-23 to increase the number of responses to inform both the monitoring of R.E. in schools and also to inform the SACRE development plan.

Teaching training and materials and advice for schools

City of York SACRE supports the NATRE local group for primary RE teachers and a NATRE local group for secondary teachers set up following the launch of the locally agreed syllabus in May 2021.

City of York SACRE received no formal complaints regarding RE provision in the academic - year 2021-22.

3. Collective Worship

Besides Religious Education each local authority must work with its SACRE to monitor the provision of daily collective worship. As a result of changes to the Ofsted framework and in the absence of further guidance, the City of York SACRE published guidance in 2017 to support Collective Worship in schools in the City, which it continues to promote within schools. The guidance is available on the City of York SACRE website (www.york.gov.uk/sacre).

Schools may apply to SACRE for a determination in order to provide Collective Worship of a non-Christian or other form. As in previous years, no determinations were requested by schools.

There were no complaints registered with City of York SACRE in 2021/2022 in respect of collective worship. Updating City of York guidance on Collective Worship has been identified as a development point for City of York SACRE.

4. Links with other bodies

City of York SACRE is a member of the National Association of SACREs (NASACRE). Through the year SACRE members were informed of developments in RE from NASACRE, The National Association of Teachers of RE (NATRE) and The Religious Education Council of England and Wales (REC). The Professional RE Adviser attended the Summer 2022 NASACRE conference and reported back to members.

City of York SACRE has a long- standing relationship with York Interfaith Group. York Interfaith Group have set up a mechanism to support visits and visitors to York schools.

City of York SACRE supports the York Holocaust Memorial Day event. This event took place in January 2022.

During the Academic year 2021-22 City of York SACRE commissioned some specialist RE adviser support from Olivia Seymour, Diocese of York. This support focused on supporting the work of SACRE meetings, training for SACRE members and reporting on regional and national updates .

5. City of York SACRE's own arrangements

During the academic year 2021-22 City of York SACRE continued its close relationship with City of York Council's Democratic Services. In autumn 2021 Democratic Services, in consultation with City of York SACRE, finalised the process of reviewing the constitution and it was approved by members. This has led to the role of SACRE being clarified within the Council's constitution and has enhanced the visibility of SACRE.

Structures and processes to enable members to monitor RE have been identified as priorities for 2022-23.

An officer in the Local Authority's Democratic Services Section acts as Clerk to SACRE. In addition, the Director of Governance provides professional support and advice to SACRE, principally on matters of governance and matters relating to the work of the Council and its Committees.

The people who serve on York SACRE are invited to do so by the Corporate Director of Children's Services and Education on the recommendation of various bodies in the local community with a concern for the religious education of school children.
