Title of Report: Update on Machinery of Government changes and progress of 14-19 Reforms

Description: Purpose of report: City of York LA has agreed to work in a sub regional cluster with North Yorkshire, East Riding and Hull to commission post 16 education from April 2010 in line with the Machinery of Government changes first announced in July 2007.

By the end of February 2009 the four local authorities must make a Stage 2 Submission to DCSF so that the department can assess the readiness of the cluster to take forward the commissioning role and allow funding for post 16 education funding to be channelled through them.

The paper will explain the stage 2 submission and cluster arrangements, which will include an annual calendar of cluster based activity and information on key decision points. It will also update members on progress through the current "tracking year" of the transition from LSC to LA commissioning and towards the development of expanded 14-19 structures within LCCS. A pattern of regular reports on the progress of the linked 14-19 Curriculum Reforms has been established and the report will cover relevant developments since October 2008.

Members are asked to: Endorse the Stage 2 MOG submission and arrangements for sub regional working, and note the progress on this agenda and the linked 14-19 Curriculum reforms
