

Executive Member for Corporate Services

Report of the Assistant Director of Customer & Business Support Services (Head of Financial Services)

Bad Debt Write Off Report – Period July to September 2010

Summary

- 1 This report presents to the Executive Member for Corporate Services the irrecoverable accounts in respect of Council Tax (CT), National Non-Domestic Rates (NNDR), Sundry Debtors and Housing Benefit overpayment for write-off covering the period 1 July 2010 to 30 September 2010. The last write-off report was presented to the Executive Member for Corporate Services on 20 July 2010 for the period 1 April 2010 to 30 June 2010.

Background

- 2 The council's Constitution and supporting Financial Regulations delegate the responsibility for writing-off all individual debts up to and including £5k to Chief Officers in consultation with the Chief Financial Officer (CFO) under the officer scheme of delegation. Above this threshold debts are written-off in consultation with the Executive Member for Corporate Services. Any exceptional debts with an individual value above £200k may only be written off on the authority of the Executive.
- 3 The council only writes off debt where it is irrecoverable for example where a customer has died and has no assets, or a business is bankrupt and has no assets. The only exception to this is where a debt is not cost effective to recover.
- 4 There are occasions where case law means the council is unable to pursue a debt following discharge from bankruptcy where Housing or Council Tax Benefit is involved. The precedent for this was set by the Court of Appeal (Balding CO/7636/2006). The two Housing Benefit write off cases set out at Annex A and confidential Annex B are been written of as a result of this judgment.
- 5 The council's in year collection rate for CT (2009/10) was 97.5% compared to 97.19% (2008/09) and placed York above the Unitary average of 97%. There was a 98.3% collection rate in 2009/10 for NNDR compared to 97.52% (2008/09) and placed York above the Unitary average of 97.4%. The total collection rate for Sundry Debtor accounts is in excess of 99%.

- 6 The council is prudent in managing bad debt and makes provision for them in its annual statement of accounts. This ensures that the writing off of bad debt has no detrimental affect on service provision or the council taxpayer. In the case of NNDR the Government meets the cost of writing off bad debt as this is taken from the value collected before it is passed on to central Government ensuring no cost to the local tax payer.

Debt to be written off 1 July 2010- 30 September 2010

- 7 Details of accounts with individual values above £5k in respect of NNDR, Housing Benefit Overpayment and Sundry Debtors are set out at Annex A excluding any personal data, and in detail in confidential Annex B of this report respectively. The total value of the accounts to be written off this period is £179,688.11 and Table 1 below shows the value of accounts by each area of debt.

Table 1

Debt Write - Off Summary 1 July 2010 – 30 Sept 2010			
Fund	Over £5000	Under & Inc £5000	Total
National Non-Domestic	37,279.12	1,427.80	38,706.92
Council	0.00	59,795.94	59,795.94
Housing Benefit	25,887.27	28,079.34	53,966.61
Sundry	0.00	27,218.64	27,218.64
Grand Total	63,166.39	116,521.72	179,688.11

- 8 The figures alone do not reflect the overall performance of the recovery teams. This can be more clearly demonstrated when the figures are compared to the value of debts raised. A more detailed breakdown of the debt write off relating to each year from 2002/03, compared to the respective value of accounts raised is set out at Annex C.
- 9 The council is continuing to develop and improve the efficiency of its debt collection and is working with the 'More for York' programme during 2010/11 to further improve its performance in the collection of both in year and prior year debt across all of the council's income streams.
