## **PART B – MATTERS REFERRED TO COUNCIL**

### **66. ANNUAL REPORT OF STANDARDS COMMITTEE 2006-2007**

Members considered a report which set out a review of the work carried out by the Standards Committee at City of York Council during the municipal year 2006/07.

The report detailed that there had been five allegations reported to the Standards Board for England against City of York Council Members during the municipal year 2006/07. On each of those occasions, the Standards Board had determined that no breach of the code had occurred. It was noted that in the case of allegations made against Parish Councils and Parish Councillors, a Monitoring Officer would only be informed when a breach had been determined and an investigation was required.

RECOMMENDED: That the contents of the Annual Report be noted and it be referred to full Council.

REASON: To inform Council of the activities of the Standards Committee during the municipal year 2006/07.
