3. Burdyke Avenue - Better Bus Area Fund Improvement Scheme (Traffic Regulation Order - Objections)

Resolved: That Option 1 to consider the objection but approve the introduction of the advertised parking restrictions as detailed in Annex C of the Officer's report be approved.

Reason: The parking restrictions would complement the recently installed layby and reduce parking opportunities which delay buses and frustrate local residents.

4. Variable Message Signs Refurbishment Plan

Resolved: (i) That subject to budget approval by Full Council, that £70,000 for each of the years 2016/17 and 2017/18 from LTP Funding be allocated to allow for the refurbishment of the 20 car park guidance VMS.

(ii) That the 'mothballing' of the 20 Outer Ring Road VMS be undertaken to allow for their possible re-use as part of Outer Ring Road Development proposals to be considered.

Reason: To ensure the appropriate allocation of funding to the provision of transport technology.
